Sharing strategies, regulatory updates, innovation and technological advancements for the nutraceuticals, functional foods, dietary supplements and health foods industry.

#### **2016 EDITION IN A GLIMPSE**

## **WHAT'S NEW IN 2017?**

The Food Safety & Standards Authority of India (FSSAI) has operationalized much awaited regulations covering health supplements, nutraceuticals, food for special dietary use and special medical purpose, functional foods and novel foods to be. As per the regulation, a period of a year has been provided to FBOs to comply with the provisions of the regulation, the enforcement shall commence from January 2018.

# The 2nd Annual Nutrition Summit India 2017 will focus on the following themes:

- Smooth transition to the new regulations
- Permissible list of ingredients
- Labelling
- Renewed License
- Operationalization of the nutraceutical regulation
- Creating a level playing field for FBOs.

The Nutrition Summit India is the only dedicated conference in the country which provides a common platform for the industry and other stakeholders to come together to discuss the key challenges, learn from the best practices adopted across the country and ensure their firm is positioned to comply with latest regulatory guidelines.
