Dentistry World 2017

Glance at the Dental Market Analysis

World's Dentists market research report can be used to help you: understand market size and growth potential; major companies; draft business plans and pitch books; and conduct benchmarking and SWOT analysis. Dentists perform a range of services that typically fall under general or specialty dentistry. Accounting for about 84.0% of dentists in the industry, general dentists provide services, such as preventive care, diagnosis and treatment planning, and procedures, such as fillings, dentures and extractions. Specialty dentistry, which includes Endodontics, oral surgery, orthodontics, periodontics, prosthodontics and pediatric dentistry, makes up an estimated 16.0% of practicing dentists.

Dental visits and consultations:

In 2015, dental visits and consultations are expected to make up 32.3% of total revenue. This product segment includes prevention services (16.3%), as well as consultation and diagnostic services (15.9%).

Target Audience:

The Professors, Dentists, Researchers, Clinicians, Educators, Marketing, and Students from Academia in the study of Restorative Dentistry and Prosthodontics

Invitation

San Antonio, USA

Dear Attendees,

We are glad to announce the **American World Dentistry** to be held in **San Antonio, USA** from **November 13-14, 2017** organized by **Conference Series LLC** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Dental Education, Dental Nursing, Dental Care management *and main theme of this conference is **Tomorrows Dentistry Today***.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **San Antonio** this November 2017.

Sincerely,

Dentistry World 2017

About San Antonio

San Antonio, USA

Why San Antonio: San Antonio is the 8th largest city in the United States. San Antonio is geographically large as well, with 368.6 square miles. The city is in South Central Texas, 140 miles northwest of the Gulf of Mexico, and 150 miles northeast of Laredo, which is on the Mexican border. San Antonio has been ranked by Conde Nast Traveler as the #2 U.S. travel destination, and the #9 worldwide destination. It has been called “every Texan’s favorite city,” and Will Rogers dubbed San Antonio as “one of four unique cities in America.” San Antonio’s roots were largely military, and the city continues to have a large military presence today. Fort Sam Houston acts as the headquarters for the U.S. Army Medical Command as well as the home of the Fifth Army. Air Force Bases include Lackland, Randolph and Brooks. There are about 85,000 military personnel in San Antonio.

The weather in San Antonio is semitropical, with the most rain and humidity from July through September, and the best weather during fall and spring. Average temperatures in September are 79.4 degrees, and January’s averages are around 50 degrees.

The San Antonio Paseo del Rio, or River Walk, is one of the country’s most famous and picturesque walks. The paths and stairways, made of cobblestone, were built in the 1930s as a federal project during the Depression years. The River Walk features some of the city’s best shops, cafes and entertainment.
