Medical Sociology 2017

Invitation

Atlanta, USA

Dear Attendees,

We are glad to announce the **2nd World Congress on Health and Medical Sociology** to be held in **Atlanta, USA** from **September 25-26, 2017** organized by **Conference Series LLC, USA**, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Sociology, Medical Sociology, Social Medicine, Public health, Medical Anthropology, Mental Health, Gender, Race and Ethnicity, Healthcare Management and will be available to discuss with you the latest issues and trends in ***Integrating Medical & Social Science approaches to improve Community Health and Healthcare delivery Systems.***

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Medical Sociology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Atlanta** this **September**.

Sincerely,

Medical Sociology 2017

Organizing Committee

About Atlanta

Why Atlanta: Sociological Analysis or Research for the first time conducted in 1895 at Atlanta Sociological Laboratory is a department of Atlanta University, USA. Sociological analysis of medical organizations and institutions takes place in later days which falls under Medical Sociology. Medical Sociologists conduct their research in qualitative along with quantitative research and they explore intersection of Social and Clinical sciences. As of 2010, Atlanta is the seventh-most visited city in the United States, with over 35 million visitors per year. Although the most popular attraction among visitors to Atlanta is the Georgia Aquarium, the world's largest indoor aquarium.

Visit the Atlanta History Center or the Martin Luther King Jr. Historical Site, a moving tribute to an American icon. Browse through the former home of famous author Margaret Mitchell or pop into the Jimmy Carter Library and Museum for details on the life and times of the former president and his family. Whether you choose modern urban activities or old southern pleasures, Atlanta will not disappoint. In Atlanta, fine dining, shopping and rich history combine with inspiration-inducing attractions to create a city with Southern charm and world-class sophistication. It's easy to see why Atlanta, Georgia is one of the most popular destinations in the Southeast to live and to visit

Some of the tourists attractions and landmarks in **Atlanta are Georgia Aquarium, High Museum of Art, Martin Luther King Jr. National Historic Site, Stone Mountain Park, Atlanta Symphony Orchestra, Edwin Forsythe National Wildlife Refuge, Piedmont Park, Atlantic City BoardWalk.**
