WOUND CARE, OSTOMY &
CONTINENCE NURSING
PRACTICES

JUNE 07-08, 2017 // MILAN, ITALY

2nd International Conference on Wound Care Ostomy & Continence Nursing Practices

June 7-8, 2017 | Milan, Italy

Jointly Organized in Association with

Invitation

Milan, Italy

Dear Attendees,

We are glad to announce the **2nd International Conference on Wound Care Ostomy & Continence Nursing Practices** to be held in **Milan, Italy** from **June 7-8, 2017** organized by **Conference Series Ltd** in association with **Euro-Mediterranean Council for Burns and Fire Disasters** (MBC) and **Annals of Burns and Fire Disasters** (ABFD).

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Wound Care, Public health, Wound Care Nursing, Ostomy, Wound Diseases, Wound Management, End-of-life Care, Wound care Services, Elderly Abuse, Nursing Practices, Wound Care Management and will be available to discuss with you the latest issues and trends in ***The Science of Wound Healing, Management and Education: From Care to Clinical Practice.***

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Wound Congress to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Milan, Italy** this June.

Sincerely,

Wound Congress 2017

Organizing Committee

Welcome Message

Dear All,

The **2nd International Conference on Wound Care Ostomy and Continence Nursing Practices** will be organized on **June 7-8, 2017** in **Milan, Italy**. Topics of this conference will include all aspects of wound care, wound healing and tissue repair. As one of the major scientific organizations interested in wound care and wound healing, the **Euro-Mediterranean Council for Burns and Fire Disasters (MBC)** and its official publication, the **Annals of Burns and Fire Disasters** have been invited to collaborate actively with the organizers for the success of this conference.

As **MBC President**, I have been invited together with several pioneers of wound healing to be part of the organizing committee. As you may be well aware, in addition to its major interest in burns management and prevention, MBC has already organized and collaborated in the organization of several local, regional and international conferences on wound care and wound healing among which are the 2nd WUWHS Meeting in 2004 in Paris, the 9th French National Conference on Wound Healing in 2005 in Paris, the 3rd Hellenic Wound Healing Conference in 2007 in Athens, the 3rd WUWHS Meeting in 2008 in Toronto, the 1st International Global Wound Care Conference in 2011 in Cape Town, the 4th International Burns & Wound Healing Symposium and Surgical Masterclass in 2013 in Hong Kong, and the Middle East Wounds and Scar Meeting in 2014 in Dubai. It is thus only natural that MBC contributes and collaborates in the organization of this conference in Milan.

I invite all **MBC members and readers of Annals of Burns and Fire Disasters** to attend and actively participate in the 2nd International Conference on Wound Care Ostomy and Continence Nursing Practices next June in Milan.

A handwritten signature in blue ink, appearing to read 'B. Atiyeh', written in a cursive style.

Bishara Atiyeh, MD, FACS
President, MBC | APSLD

About Us

Milan, Italy

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21 Day** Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million Readers** and High Visibility
- **1000+ Scientific Associations** Collaborations
- **Publication** immediately after acceptance
- **Quality and Quick** editorial, review processing

Salient Features

- **Easy to Submit** and Review Systems
- **High Quality** and Fast Publishing Guaranteed
- **Unbiased, quality-oriented,** and transparent reviews
- **Enhanced feature:** Audio version of published paper
- **Digital articles** to share and explore
- **Sharing option:** Social networking enabled
- Authors, reviewers and editors are provided with **scientific credits**
- User friendly/feasible website articles **translations** across more than **50 world languages**

Our International Scientific Conferences

- More than **3000 Conferences** happening across the globe
- Conferences organized in **Medical, Pharma, Engineering,**

Science, Technology and Business.

- **CME/CPD Accredited** Conferences fostering professional and Personal development
- **Continuum of education** through organized scientific program
- **Renowned speakers** and scientists representing from **40 countries**
- **Highly Interactive sessions** and Panel Discussions
- **B2B Meetings** offers perfect platform for Global Networking

Salient Features

- **Robust on-line publicity** for all the speakers and organizing committee members
- **Career Guidance** Workshops for students and early career researchers
- **Accepted Abstracts** will be published in various **indexed journals**
- **Accepted abstracts** will be labeled with a **Digital Object Identification Number (DOI)** provided by **Cross Ref**
- **Creation** of speakers and abstracts pages in Google
- **Opportunity** to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be published irrespective Conference Series LLC Journals

Each abstract will be provided with digital Object Identifier by  Crossref

About Conference

Wound Congress 2017 Conference website is attracting **25000+** **Wound Care Specialists, Wound Care Physicians** online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Wound Congress 2017 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

Purpose

2nd International Conference on Wound Care Ostomy & Continence Nursing Practices is an arena for interdisciplinary exchange among professionals in the fields of Wound Care, Nursing Practices, Nursing Practices, Ostomy Care.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Wound Care Ostomy & Continence Nursing Practices present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Wound Care Ostomy & Continence Nursing Practices
- Discuss and apply recent research findings related to Wound Care Ostomy & Continence Nursing Practices
- Reflect on the place of critical distance in Wound Care Ostomy & Continence Nursing Practices

Who should attend

2nd International Conference on Wound Care Ostomy & Continence Nursing Practices is exclusively designed for renowned experts working in the field of Wound Care, Vascular Surgery, Burns, Tissue repair, Regenerative Medicine, Nursing, Physiotherapy, Occupation therapy Infectious diseases, Dermatology, Public health, Nutrition, Diabetes, Oncology and more. It aims at bringing the Wound care specialist, Physicians, Pharmacologists, Academic Researchers, Surgeons, Nurses, Diabetologists, Nutritionists, Oncologists, Psychologists and other experts working in the related area of wound care to share.
