About the Institution:
The college preempts what education in the future would be because any learning environment that exists in isolation, divorced from the reality of the world outside the campus is bound to be progressive in every respect. Rathinam College of Arts and Science is a Co-educational Institution was established in year 2001 by the KPM educational Trust, which has 35 years of experience in promoting education in Coimbatore. The college is set in a sprawling 70 acre campus that is a part of the Rathinam Group of Institutions which has Rathinam Technical Campus, Rathinam International Public School and IT Park & Special Economic Zone. Rathinam College of Arts and Science offer 16 Under Graduate Courses and 6 Post Graduate Courses and research programs. The institution was affiliated to Bharathiar University, Coimbatore and has autonomy granted by UGC. The Institution was re-accredited by NAAC with "A" Grade. The institution has registered with ICTACT, CSI, CII, YI and NSDC. The advantages that it offers to the students are indeed enormous with Project & in-house training and part-time job at the IT Park and SEZ within the campus.   Access to professionals, real time experience and better institutional industry interaction is facilitated by its proximity of the SEZ.

About the Department:
The department was started in 2001 and it has grown excellently in academic and research work. At present, the department offers four undergraduate degree and two postgraduate degree programmes and Research Programme M.Phil and Ph.D. In undergraduate programmes   Computer Science, Computer Applications, Information Technology and Computer Technology are offered. Under the postgraduate, Computer   Science and Information Technology are offered. Department offers an outstanding opportunity for budding professional to polish their skills and outperform their competitors. The department is equipped with state of the art computing and internet facilities (50 Mbps). The department has well experienced faculty members with excellent knowledge in IT. More than 70% of the students have been placed in reputed IT companies through placement cell.
