## About Heartwalk & Run

The Oracle Heartwalk and Run is a charity event organized by Oracle India to assist Needy Heart Foundation, an NGO - which performs Heart Surgeries for the poor in Bangalore, India. We are looking at this event being the largest contributor to the Needy Heart Foundation (NGO). What differentiates the Oracle Heartwalk & Run is that it not only supports a noble cause but also aims at spreading awareness amongst the youth on the importance of a healthy lifestyle and habits.
