

Dear Friends and Colleagues,

I have the pleasure of inviting you to participate in conference entitled “*Contemporary Economics for Sustainable Development and Prosperity*” organized by University of Finance and Management in Warsaw, Vistula University and Warsaw University of Life Sciences.

This is the fifth edition of the international scientific conference entitled: *Global Economy and Governance - Challenges in Turbulent Era* (GEG 2017), organized by National School of Political Studies and Public Administration, Romanian Academy – Institute for Economic Forecasting, Ocean University of China, National University of Taiwan, Ming Chuang University.

The conference is also an event that celebrates the *10-th anniversary of Contemporary Economic* – scientific quarterly journal. The Conference will take place in **October 23-24, 2017 in Warsaw, Poland.**

The purpose of the current edition of the Conference is to *establish a forum for the access to the latest theoretical and empirical knowledge on both contemporary economics and management (including administering and governance).*

These year GEG Conference consists of following main tracks:

- **Development Economics**
- **Social Value and Governance**
- **Global Business and Trade**

The best of the papers presented at the conference will be published as scientific articles in prestigious international journals with an Impact Factor, for example:

- **Defence and Peace Economics**, Impact Factor (2016): 1.068; 5-Year Impact Factor: 1,069
- *Ekonomiska Istrazivanja – Economic Research*; Impact Factor (2016): 0.742; 5-Year Impact Factor: 0.559
- *European Journal of Political Economy*; Impact Factor (2016): 1.098; 5-Year Impact Factor: 1.466
- *International Entrepreneurship and Management Journal*, Impact Factor (2016): 1.312; 5-Year Impact Factor: 1.935
- *International Review of Economics and Finance*; Impact Factor (2016): 1.261; 5-Year Impact Factor: 1.363
- *Romanian Journal of Economic Forecasting*; Impact Factor (2016): 0.238; 5-Year Impact Factor: 0.232
- *Technological and Economic Development of Economy*, Impact Factor (2016): 2.628; 5-Year Impact Factor: 2.706

Some of papers will be published in international journals that do not have an Impact Factor (for example: **Acta Scientiarum Polonorum Oeconomia, Contemporary Economics, Holistica Journal of Business and Public Administration, International Review of Accounting, Banking and Finance, Management and Production Engineering Review**) and the rest of them in a peer-reviewed scientific monograph.

We request you to forward this email to your colleagues, researchers and students in order to promote the conference.

Please take the time to explore the website for more details, check on important dates, and keep yourself up to date on recent changes.

Best regards,

Professor Włodzimierz Rembisz

Conference President

Marcin W. Staniowski, Ph.D.

Contemporary Economics Editor-in-Chief
