

5th World Congress on
Smart and Emerging Materials

March 19-20,
2018
Bali, Indonesia

Theme:
Smart and Emerging
Materials- Future
Prospects

Conference Series welcomes you to attend the **Smart and Emerging Materials**, which is going to be held in **Bali, Indonesia** during **March 19-20, 2018**.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Materials science and Engineering.

Smart Materials Congress 2018 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "**Smart and Emerging Materials- Future Prospects**".

Regards,

Smart Materials Congress 2018

Operating Committee

March 19, 2018 Monday

Time	Session
08:30-09:30	Registrations
	Group Photo
09:30-11:00	Keynote Forum
11:00-11:15	Network & Refreshments Break*
11:15-13:00	Track 1: Material Science and Engineering Track 2: Smart Materials and Structures
13:00-13:45	Lunch Break**
13:45-16:00	Track 3: Emerging Materials Track 4: Synthesis and Characterization Track 5: Property Changing Smart Materials
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Track 6: Shape Changing Smart Materials Track 7: Nano Smart Materials Track 8: Bioactive Smart Materials

Day Concludes

March 20, 2017 Tuesday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
10:30-11:30	Track 9: Materials in Biomedicine Track 10: Materials in Environmental Bioremediation
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Track 11: Materials in industry Track 12: Materials for Bioenergy Track 13: Smarter Lifestyle
13:00-13:45	Lunch Break**
13:45-15:00	Track 14: Market Demand and Value
15:00-15:15	Network & Refreshments Break*
15:15-16:30	Track 15: Future of Materials
16:30-18:00	Poster Presentations

Day Concludes

Award Ceremony

Conferece Concludes

The field of Smart and Emerging Materials is growing rapidly and its development is making tremendous impacts in nursing. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Smart Materials Congress 2018

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following Conference Series Journals
 - Journal of Material Sciences & Engineering
 - Journal of Powder Metallurgy & Mining
 - Journal of Nanosciences: Current Research
 - Journal of Nanomaterials & Molecular Nanotechnology
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Share your excitement in promoting your skills in the field of designing
- Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Bali is an island and province of Indonesia. The province includes the island of Bali and a few smaller neighboring islands, notably Nusa Penida, Nusa Lembongan, and Nusa Ceningan. It is located at the westernmost end of the Lesser Sunda Islands, between Java to the west and Lombok to the east. Its capital, Denpasar, is located in the southern part of the island. Bali is a popular tourist destination, which has seen a significant rise in tourists since the 1980s. Tourism-related business makes up 80% of its economy.

It is renowned for its highly developed arts, including traditional and modern dance, sculpture, painting, leather, metalworking, and music. Bali is part of the Coral Triangle, the area with the highest biodiversity of marine species. Most recently, Bali was the host of the 2011 ASEAN Summit, 2013 APEC and Miss World 2013. Bali is the home of the Subak Irrigation System, a UNESCO World Heritage Site.

There are many tourist attractions such as The Tirta Empul Temple draws tourists who seek its holy waters, Pura Taman Ayun, another temple which is a popular tourist destination; Kuta Beach is also another popular tourist spot in Bali.

Important Dates

Abstract submission opens: June 01, 2017

Registration opens: June 05, 2017

Early bird registration: August 28, 2017

Mid registration: December 25, 2017

On spot registration: March 19, 2018

Venue

Bali, Indonesia
