

WORKBENCHCON

DIY & New Technology Conference

FEBRUARY 22 - 24 2018 // ATLANTA

Authentically Crafted for the DIY Maker & Influencer....
All Creatives Welcome

About WorkbenchCon:

A 2 day blitz of authentically crafted content for the DIY'ers , makers, influencers, creatives & bloggers....WorkbenchCon is no ordinary DIY Conference.

This conference brings together a community of leading makers, agencies, brands, influencers and more for face-to-face networking, new products and targeted education. Think of the new contacts, new technology and excitement you will gain and implement right away! Learning from top leaders in your niche will give you that MOMENTUM you need for growing your business. Learning and connecting with peers are just a few reasons WorkbenchCon should be at the top of any MUST DO list.

Join us in the real world for this long weekend of innovative information -
Lets get the conversation going....Join US!

WORKBENCHCON

Connect face to face with influencers - Gain relationships as you inspire attendees to take their craft to the next level.....

From the co-founder of HAVEN Conference - WorkbenchCon will provide sponsors & attendees with an electric atmosphere, igniting top influencers and new ones alike to talk shop with our exhibitors. Because of your support, ticket prices will be very affordable at \$279.00. This price point will attract all levels of DIY makers. We will focus marketing on all makers between 28 - 55 interested in promoting their craft, creating relevant content for his audience, tinkering, and taking on challenges.

We aim to give the 350 + attendees a powerful take away experience.

WorkbenchCon & your brand will be talked about long after the conference.

WbC plans on building a community that spans the year long.

We will have 4 demo and session areas located in downtown Atlanta warehouses along with large outdoor demo space too.
