

ABOUT THE SCHOOL

Aster Public School-Greater Noida, was founded in with the modest number of students in a sprawling campus of 7 acres. It is affiliated to the Central Board of Secondary Education, New Delhi with all the Stream-Science, Commerce and Humanities. The school has emerged and progressed leaps and bounds which is reflected by the fact that the strength of the school is now above with fully digitalized.

Sports Facilities

2 full size Football Grounds, Basket Ball Court, Volleyball Courts, Skating Ring, 4 Nets For Cricket and 3 pitches, Hockey, Kho-Kho, Kabaddi, Taekwondo, facility for Track and Field events and provision for indoor games such as Table Tennis, Chess , Carom etc.

NCC for Boys and Girls

In order to inculcate the feeling of unity, discipline, qualities of leadership and patriotism, NCC for boys and girls is introduced from the session 2016-2017.

In today's fast paced and technological-centered era, we create a space that helps our young learners establish their identity, understand their roots, create their place in the world and also innovate to shape it into a better place. Aster provides a creative curriculum - a fusion of excellence and enjoyment. Our curriculum reflects our belief that children learn best when skilled instruction is integrated into a meaningful context. Along with developing academic curiosity and excellence, we also focus on developing sound values and the courage to stand up for what is right. Our students are educated and groomed for knowledge and lifelong learning skills. Our approach to academic development of children is to start from an acknowledgement that every child is different. Each child as different learning capacities, interests, cultural and educational background therefore individual development of each child is not necessarily a simple linear progression. As a result, what's required is a level of personalization that ensures that the learning meets each child 'where they are', rather than attempting to deliver teacher -centric lessons as if 'one size fits all'.

We have the best of the mentors who are expert in their field and ensure that our students not only excel in academics but also in co-curricular activities. We emphasize for all round development of the children today to be the successful achievers of tomorrow. We review our services time to time as per the advancement of technology and expectation of the emerging

society. We groom every child entrusted to our care, chiseling his/her talent and steering them to leave their indelible imprint in the society and the community.
