Accommodation

A large number of rooms have been reserved. Discounted room rates for Ophthalmic Surgery 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Ophthalmic Surgery.

About Osaka, Japan

OSAKA is an assigned city in the Kansai area of Japan. It is the capital city of Osaka Prefecture and the biggest segment of the Keihanshin Metropolitan Area, the second biggest metropolitan region in Japan and among the biggest on the planet with more than 19 million occupants. Organized at the mouth of the Yodo River on Osaka Bay, Osaka is the second greatest city in Japan by daytime masses after Tokyo's 23 wards and the third greatest city by night time people after Tokyo's 23 wards and Yokohama, filling in as a critical money related focus point for the country. Osaka is considered as an imperative community for advanced education and harbors, social insurance, all around rumored and renowned schools and Universities. Osaka Japan conferences indeed play a vital role in promoting scientific information and ideas all over the world. It can be considered as a suitable medium for the relocation of valuable knowledge about research and novel advancements worldwide. The conferences taking part here would promote a variety of scientific ideas among contenders belonging to diverse areas of science and technology. The kanji that make up Japan's name signify "sun starting point". Japan is regularly alluded to by the acclaimed designation "Place where there is the Rising Sun" in reference to its Japanese name. Japan is a stratovolcanic archipelago comprising of around 6,852 islands.
