About San Diego

Yoga Congress 2018

2018

San Diego is a major city in California, United States. It is in San Diego County, on the coast of the Pacific Ocean in Southern California. Beautiful beaches, a fantastic climate, plenty to see and do (and eat) and a four-star hotel room for less than \$200 a night. That combination of attractions and affordability landed San Diego the top spot in MONEY's inaugural Best in Travel Awards. All that sunshine isn't enough, here's a waterfront city brushed by perfect breezes, the light just right, the beer perfectly hoppy after a day of wave-and-water fun. Whether you're standup paddling on Mission Bay, kayaking into sea caverns along La Jolla's idyllic shores, savoring a sweet shave ice in Balboa Park, or dining and dancing after dark in the lively Gaslamp Quarter, you'll find yourself smiling in San Diego.
