Conferece Concludes

The field of Cardiology and Cardiovascular Nursing is growing rapidly and its development is making tremendous impacts in nursing. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Cardiac Nursing 2018

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following Conference Series Journals
 - Journal of Cardiovascular Diseases & Diagnosis
 - Journal of Clinical & Experimental Cardiology
 - Journal of Nursing & Care
 - Cardiovascular Pharmacology: Open Access
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Share your excitement in promoting your skills in the field of designing
- Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Manila is a city less traveled, with adventurers almost always choosing to move on to the Philippines famous white-sand beaches right away. Filipinos are friends from all over the world feel energized by the new slogan which aims to invite tourists to visit the country. Metro Manila (National Capital Region), composed on various cities including the Philippines' capital, Manila, goes beyond being a gateway to out-of-town day trips and popular island destinations. Beyond Metro Manila, you can visit neighboring destinations and attractions such as Tagaytay, Malate, Intramuros and Rizal Park, Pagsanjan and Nuvali Sta. The main attraction of Manila Ocean Park is the Oceanarium which houses 14,000 sea creatures from about 277 species all of which is indigenous in Southeast Asia. In addition, Philippines offers luxury hotels, delectable cuisine and great shopping! This is no longer true! Visitors seek out Manila for business and finance and also for a fascinating and satisfying vacation for the whole family. The Philippine government started a campaign that branded the country as a perfect destination for beach bums and dive lovers. The slogan "It's More Fun in the Philippines" played a crucial role to educate people how fun it would be to visit the country.
