Invitation

Dear Attendees,

We are glad to announce the 17th International Conference on Clinical and Experimental Ophthalmology to be held in Moscow, Russia from October 01-03, 2018 organized by Conference Series LLC, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Ophthalmology case Studies and will be available to discuss with you the latest issues and trends in Unveiling the emerging research for delivering effective Eye Care.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Ophthalmology 2018 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Moscow this October.

Sincerely,

Ophthalmology 2018

About Moscow

Moscow is the capital and most populous city of Russia, with 13.2 million residents within the city limits and 17.1 million within the urban area. Moscow has the status of a Russian federal city.

Moscow is a major political, economic, cultural, and scientific centre of Russia and Eastern Europe, as well as the largest city entirely on the European continent. By broader definitions Moscow is among the world's largest cities, being the 14th largest metro area, the 18th largest agglomeration, the 15th largest urban area, and the 11th largest by population within city limits worldwide. According to Forbes 2013, Moscow has been ranked as the ninth most expensive city in the world by Mercer and has one of the world's largest urban economies, being ranked as an alpha global city according to the Globalization and World Cities Research Network, and is also one of the fastest growing tourist destinations in the world according to the MasterCard Global Destination Cities Index.
