

DUAL DIAGNOSIS 2018

3<sup>rd</sup> International Congress on

# Addictive Behavior & Dual Diagnosis

August 16-17, 2018 Stockholm, Sweden

*Theme: Together Towards Tomorrow to Cure Addiction Related Disease and Mental Illness*

# Invitation

**Dear Colleagues,**

Conference series is delighted to welcome you to Stockholm, Sweden for the Prestigious **3<sup>rd</sup> International Congress on Addictive Behavior & Dual Diagnosis**.

The conference will focus on **“Together Towards Tomorrow to Cure Addiction Related Disease and Mental Illness”**. We are confident that you will enjoy the scientific program of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Dual Diagnosis Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Stockholm this August

Sincerely,

**DUAL DIAGNOSIS 2018**

Organizing Committee

## Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

## Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

## Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.

- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

## Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

## Special Issues : All accepted abstracts will be

Published in Respective Supported Journals

Each Accepted abstracts will be provided with

A digital Object Identifier by 

# About Conference

The fundamental subject of Dual Diagnosis is “*Together towards tomorrow to cure addiction related disease and mental illness*”. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

## DUAL DIAGNOSIS 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

## How Conference Series Conferences differs from others?

- Addiction & Neurotoxicology
- Addictive Disorders
- Addiction Psychiatry
- Bipolar Disorders
- Depression & Anxiety
- Science of Drug Abuse
- Addiction: Pharmacology
- Dual Diagnosis Rehabilitation & Recovery
- Clinical Interventions & Case Reports

# About Stockholm

Stockholm is like no other capital in the world. Built on fourteen islands, it rises gracefully from water so clean that you can go swimming or fishing in the very heart of the city. Its waterfront is alive with boats, from ferries to shuttle you around the city to sailboats and yachts that cruise out into the vast archipelago that stretches into the Baltic. Of course getting around doesn't require a boat--you can walk, bike, drive or take advantage of the city's impeccable mass-transit system.

The history of Stockholm dates back to the 13th century, and the best place to discover it is in Gamla Stan, the Old Town. Gamla Stan is famous for its winding, cloistered streets, boutiques, and cozy restaurants, all gathered close by to the Royal Palace. An hour's boat ride brings you to the gardens of Drottningholm Palace, the pastoral residence of Sweden's Royal Family.
