

13TH INTERNATIONAL CONGRESS ON
**BIOFUELS AND
BIOENERGY**
OCTOBER 18-20, 2018 | OTTAWA, CANADA

<https://biofuels-bioenergy.conferenceseries.com>

Invitation

Biofuels 2018

OTTAWA, CANADA
OCTOBER 18-20
2018

Dear Attendees,

We are glad to announce the **13th International Congress on Biofuels and Bioenergy** to be held in **Ottawa, Canada** from **October 18-20, 2018** organized by **Conference Series LLC, USA** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Advanced Biofuels, Algae Biofuels, Aviation biofuel, Bioalcohols and Bioethanol, Biodiesel, Bioenergy, Biogas, Biohydrogen, Biomass, Biomass feed stocks for renewable energy generation, Biomass Technologies, Biorefineries, Food vs Fuels Debate, Production of Biofuels & Renewable Energy will be available to discuss with you the latest issues and trends based on **“Biofuels - Fuelling our future”**.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Biofuels 2018 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Ottawa, Canada**

Sincerely,
Biofuels 2018
Organizing Committee

About Conference

OTTAWA, CANADA

Biofuels 2018

Biofuels 2018 Conference website is attracting 25000+ chemical engineers, experts online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 70+ countries Annually
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Biofuels 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

About Conference

Biofuels 2018

OTTAWA, CANADA
OCTOBER 18-20
2018

Purpose

13th International Congress on Biofuels and Bioenergy is a global hub for the cutting edge research happening in the field of Biofuels and Bioenergy.

Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience by creating platform to discuss with professionals

Bringing together the world's scientific experts to catalyze and advance scientific knowledge about biofuels and Bioenergy present the most recent research findings, and promote and enhance scientific collaborations around the world

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Biofuels and Bioenergy
- Discuss and apply recent research findings related to Biofuels and Bioenergy
- Reflect on the place of critical distance in Biofuels and Bioenergy

About Conference

Biofuels 2018

OTTAWA, CANADA

2018

Who should attend ?

13th International Congress on Biofuels and Bioenergy is exclusively designed for Eminent Scientists from Chemical Engineering, Biofuels, Junior/Senior research fellows from Universities, Directors of companies, Chemical Engineers, Members of different Biofuels and Bioenergy associations.

About hosting organization

Conference Series is the world's leading specialist in **organizing academic, Scientific and Business conferences, meetings, symposiums and exhibitions** in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided

by  crossref

Major sessions

- Advanced Biofuels
- Algae Biofuels
- Aviation biofuel
- Bioalcohols and Bioethanol
- Biodiesel
- Bioenergy
- Biogas
- Biohydrogen
- Biomass
- Biomass feed stocks for renewable energy generation
- Biomass Technologies
- Biorefineries
- Food vs Fuels Debate
- Production of Biofuels
- Renewable Energy

About Ottawa

OTTAWA, CANADA
OCTOBER 18-20
2018

Biofuels 2018

Ottawa is Canada's capital, a dynamic showcase city of more than one million people. Located in Ontario at the Quebec border, it's a place where you'll hear English and French spoken in the streets; where you can discover Canada's proud heritage at impressive national sites and famous landmarks, including the Rideau Canal (a UNESCO World Heritage Site). It's a city steeped in culture, with world-class museums and galleries displaying stunning national collections and special exhibitions from Canada and around the world.

Ottawa is a destination alive with celebration, beginning each year with February's Winterlude, continuing through May's Canadian Tulip Festival, heating up July 1 with the biggest Canada Day celebration in the country, and going all-out with headliner summer music festivals.

This city is a uniquely beautiful place: an urban centre on the edge of nature where you can enjoy the great outdoors — just outside your hotel room, and nearby in the surrounding country side. There's an easy cosmopolitan vibe here, and Ottawa is known for being both welcoming and walkable. Explore the distinctive local neighbourhoods, including the historic ByWard Market: by day this area boasts a bustling farmers' market and chic shops, by night it hums with activity at the restaurants, pubs, and nightclubs.

This is also a city that enjoys the finer things in life, with a culinary community that's earning wide acclaim, unique boutiques and shopping districts, a lively local music and art scene, and always exciting nightlife.

This is Ottawa, Canada's capital. Come experience it for yourself.
