CHAIRPERSON'S ADDRESS

This year at Indian Institute of Technology Roorkee (IITR) we host another edition of Sangram with renewed vigour and enthusiasm. We take immense satisfaction in hosting such a popular sports meet with athletes and champion players assembling under one roof to play for pride, respect, and supremacy. Our sports facilities have grown since the days of Thomason College of Engineering to the present day and proud to boast of having one of the best sports facilities with sportspersons with great integrity and spirit. Our students not only create a unique niche for themselves professionally but also pass the baton of team spirit, leadership, hard work, trust and above all to never give up attitude to the next crop of students for every walk of life. Let's witness, share and enjoy SANGRAM '18 together.
