

2-day Super Kid 'CREATE MIRACLES' (Brain Education) Workshop by Yolo Lights

Give your child the best gift of his/her lifetime; Enroll for YOLO Lights Workshop; UNLEASH THE GENIUS IN YOUR CHILD !!

Benefits of the workshop:

Your child will get super learning speed, super powerful memory, enhanced concentration, increased focus, enriched creativity & imagination, strong decision making, huge emotional stability, intuitive power, telepathy, self-confidence, faster reading/writing speed (WPM), super powerful 5 senses, enhanced IQ-EQ-CQ-AQ (Intelligence-Emotional-Creative-Adversity Quotient)

Activating Midbrain:

Midbrain is located at the base center of right brain and left brain. It acts as superhighway of information between the two hemispheres. Just like you use internet for your work, imagine if your internet speed is slow, how pathetic you would feel? Similarly, the sluggish midbrain needs to be activated to enable the brain to perform at highest efficiency. Midbrain activation enhances & speeds up the information superhighway in your child's brain for super performance in every field.

What is done at Workshop?

Series of exercises, Brain gymn, Eye gymn, Dances, #Meditations, Games, & Music therapy. Children are taken through #Goal #Manifestation Techniques based on #LawofAttraction for success and achievement. We also take them through #High #Frequency #Healing that removes any blockages, hindrances or issues from past or early childhood.

Our training format is one of the best in the country. We give 100% successful results as each child gets midbrain activated & displays tremendous improvements after the workshop.

How will you know your child's midbrain is activated?

BLINDFOLDED your child starts identifying colors, numbers, alphabets; starts reading, coloring & drawing ... 'YES' this is the **INDICATOR!!**
