About Dallas

Dallas, USA
SEPTEMBER 24-25
2018

Glaucoma & Retinal Diseases 2018

Dallas is a city within the U.S. country of Texas. It is the maximum populous town inside the Dallas–fortress worth metropolis, that is the fourth most populous metropolitan place in the USA. The city's population ranks ninth in the U.S. and 0.33 in Texas after Houston and San Antonio. The metropolis's prominence arose from its historical importance as a center for the oil and cotton industries, and its role alongside several railroad traces. The majority of the town is in Dallas County, of which it's far the county seat; however, sections of the town are placed in Collin, Dent-on, Kaufman, and Rockwall counties. In keeping with the 2010 U.S. Census, the town had a populace of one, 197,816. The USA Census Bureau's estimate for the town's populace expanded to at least one, 317,929 as of July 1, 2016.

The metropolis is the largest monetary center of the 12-county Dallas–fort really worth metropolis metropolitan region (commonly referred to as DFW), which had a population of 7,246,231 as of July 1, 2016, representing growth in extra of 807,000 human beings since the 2010 census, the second largest populace boom inside the U.S. after Houston. Positioned in North Texas, Dallas is the main middle of the most important metropolitan location inside the South and the largest inland metropolitan region in the America that lacks any navigable hyperlink to the ocean.
