Auckland, the largest city in New Zealand is a vibrant place with a mix of various cultures, tastes and land-scape. The city is set between 2 harbors and is a wonderful place consisting of beaches, islands, vineyards. It is well known as the “City of Sails” because of the many yacht harbors and sailboats. The 2 main islands Of New Zealand are North Island and South Island and Auckland is located in the north of the North Island. It rests on a narrow Isthmus between 2 harbors, Manukau Harbor and the Waitemata Harbor. Auckland is at the center of the Hunua Hilly Ranges to the south-east, the Hauraki Gulf in the east which is a part of the Pacific Ocean, Manukau marina in the south-west and the Waitakere Ranges and other smaller ranges to the west and north-east respectively.

Many resident and students from abroad prefer to study in Auckland because of its calm and beautiful surroundings and weather. A number of Top Universities are available which offer courses in wide range of subjects. Some of them are University of Auckland, Massey University, University of Otago etc. Auckland witnesses a temperate climate It is warm and humid during the summers and mild winters.
