Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Clinical Case Reports 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Clinical Case Reports.

About Sydney

Sydney, the capital of New South Wales, Australia. It is Australia's oldest and largest city with a population of around 4 million. It is built around a huge harbour and hosts many tourist attractions as well as a number of beaches, bays and a couple of national parks. Sydney has many influences upon its style. Aboriginal sites and engravings can still be seen from the original occupiers, the Eora tribe. The city also has an Anglo Mediterranean style and a growing Chinese and Asian influence.

Sydney has a reputation for being beautiful but shallow, but like the pretty girl in high school, she is often misunderstood and falsely labelled a show pony. Look a little closer and you'll find a city with a long and complex history, and one that's about so much more than being ridiculously good looking.

The Harbor City also abounds with sophisticated spots to eat that showcase the quality and abundance of local produce. Hole-in-the-wall bars are multiplying like rabbits due to a recent relaxation in the state's licensing laws, while golden sandy beaches yield to the lapping water of the Tasman Sea. Fun and often free festivals are on throughout the year, and celebrate Australia's rich cultural diversity.

Sydney is the destination of choice for international corporations, business leaders, students and tourists.

Venue

Sydney, Australia
