## About the Organiser

We take the humble privilege to introduce ourselves as an Internationally reputed, a non-profitable Research and Training organisation, with strong pillars and blessings of Dr.A.P.J.Abdul Kalam and Prof.M.S.Swaminathan as Advisors, serving successfully since 2007. INCITE aims at enlightening the power of knowledge, skills and techniques to the society, to create a platform conducive for the growth, promotion and partnering in the field of science, arts, social, cultural and humanity with society, taking together industries, academics and government through consultative, advisory and educative processes which will provide growth platform with international standards. It is supported by intellectuals, professionals, social workers, academicians, policy makers, students and industry experts aimed at developing a cutting edge for real-time strategic collaboration between academic, corporate, government and private laboratories, entrepreneurs, investors and service providers in order to harness the benefits of advances in innovative areas directly and indirectly influenced by all walks of life. We are blessed with 20 Centres in India and 23 International Coordinators facilitating and networking our activities across the world.
