

THIRD INTERNATIONAL CONFERENCE ON SUSTAINABLE DESIGN, ENGINEERING AND CONSTRUCTION- SDEC 2018

July 13-14, 2018, Cochin, India
<http://sdec.theides.org/2018/>

Honorary Chair

Dr. Rana Pratap Reddy
(Reva ITM, Bangalore, India)

Technical Chair

Dr. V. Ramachandra
(Ultra-Tech Cement, India)
Dr. A.U.Ravishankar
(NIT Surathkal, India)

General Chair

Dr. Janahanlal Stephen
(Mookambika Technical Campus, India)

General Co-Chair

Dr. Yogesh Chaba
(Guru Jambeswara University, India)

Finance Chair

Dr. Gylson Thomas
(Jyothi Engineering College, India)

Publicity Chair

Prof. Ford Lumban Gaol
(University of Indonesia)
Dr. Amlan Chakrabarti
(University of Calcutta, India)

Program Committee Chair

Dr.S.Shivanna
(Sir.M.V.I.T, Bangalore, India)
Dr.V.Srihari
(NICMAR, Hyderabad, India)

Program Committee Members

Dr.Y.Ramalinga Reddy
(Reva ITM, Bangalore, India)
Miss. Harini.H.N
(Reva ITM, Bangalore, India)
Dr. Kishanjit Kumar Khatua
(NIT - Rourkela, India)

Third International conference on Sustainable Design, Engineering and Construction- SDEC 2018, aims at bringing together the Professors, Researchers, and Students in all areas of Advances in mobility, communications, land use, resource management, materials, processes, building information modeling, planning, controls and methods to provides an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices.

The conference will be held at **Cochin, India from July 13-14, 2018**, to focus on the frontier topics in sustainable design,engineering, construction and its applications. The SDEC conference is jointly organized by the **IDES** and the **ACEE**. All the accepted registered papers will be published by the **Narosa Publishing House** and will be submitted for possible indexing in all the major indexing services like **EI, ISI Web of Science, DBLP, IET Inspec, Scopus** and etc.

SDEC 2018, aims at bringing together the Professors, Researchers, and Students in all areas of Advances in mobility, communications, land use, resource management, materials, processes, building information modeling, planning, controls and methods, quantitative methods and to provides an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Advanced and sustainable materials, Roofing materials
Transport and Highways Engineering, Roads and Railways
Innovation in fiber reinforced cementitious materials
High performance lightweight concrete, Erosion of steel structures
New construction materials and formworks, Structural Control
Factory acid environmental effects on materials
Durability of cement materials, Architectural management
Corrosion of reinforcing bars in concrete, Structural Engineering
Durability of FRP in concrete, Quality control/quality assurance
Advanced technology in construction, Sustainability
Emergency management practices, Artificial intelligence methods
Construction equipment analysis, Construction methods and systems
Software Standards, Quality Assurance and Benchmarking
Soil-Structure Interaction (static and dynamic)
Structural Optimization and Sensitivity Analysis

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (Doc or Docx format only) through the **CMT Conference Management System** or via email sdec.chair@gmail.com

Important Dates

Date of Paper Submission: **May 25, 2018**
Paper Acceptance Notification: **May 29, 2018**
Camera Ready Paper Submission: **Jun 23, 2018**
Last Date of Paper Registration: **Jun 23, 2018**
Additional Co-author/Non-Author registration: **Jun 30, 2018**
