

13th World Conference on Neurology and Neuromuscular Disorders

October | 01-02 | 2018 Frankfurt | Germany

Invitation

We are honoured and delighted to welcome you all to "13th World Conference on Neurology and Neuromuscular Disorders" at Frankfurt, Germany. We hope that Frankfurt is venue that guarantees a successful conference amid the beautiful environment of Frankfurt.

ConferenceSeries LLC Ltd brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Frankfurt is all set for an amazing event as ConferenceSeries LLC Ltd proudly presents the 13th World Conference on Neurology and Neuromuscular Disorders on October 1-2, 2018 in Frankfurt, Germany. We cordially welcome Researchers, Academicians, Physicians, Students and Business professionals from around the world to participate in the upcoming Neurology Conference 2018.

The two day meeting for this year will revolve around the theme "New Innovations with advancement in Neurology & Neuromuscular diseases" thus relaying the most cutting edge findings in the field of Neurology Research. Our scientific program is rich and varied with 30 Session with 120+ Sub sessions, 6 Keynote speech, 200+ technical papers split between 3-4 parallel oral sessions, and 2 poster sessions each day. Beside these workshops and symposiums are co-located. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach.

Let us introduce you our Keynote Speakers

Tapas Kumar Banerjee
National Neurosciences Centre
Calcutta, India

Robert H Odell Jr
Neuropathy & Pain Centers of
America, USA

Sri Krishnan
Ryerson University
Canada

Claudia A. Chiriboga
Director of Pediatric MDA Care
Center at Columbia University
Medical Centre, USA

Jo Ferrie
Director: Glasgow Q-Step,
University of Glasgow, United
Kingdom

Walter Schubert
Director, International human
Toponome project, Germany

Conference Highlights:

- Neuromuscular Disease
- Peripheral Nerves
- Neuromodulation
- Child Neurology
- Neurodevelopment Disorders
- Cognitive Neurology
- Neurology Case Reports
- Clinical Neurology
- Movement Disorders
- Neurogenetics
- Neurosurgery
- Cellular Neuroscience
- Women and Neurology
- Neuro trauma & Sport Neurology

What Does Neurology Conference Offer its Patrons?

Curiosity made the world go forward! Everything that might interest and even everything that wouldn't but could is here... all you have to do is search it.!

The colloquium presents various opportunities in the form of

- Keynote Presentations*
- Plenary Talks*
- Oral Presentations*
- Workshops*
- Symposia*
- Exhibitor Hosted Sessions*
- E-Poster*
- Video Presentation*
- Collaborations*
- Media Partnership*
- Sponsorship & Exhibitor Opportunities*

Special Sessions for Students include:

- Poster Presentations*
 - Young Researcher Forum*
- Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to conferenceneurology@yahoo.com

Why attend Neurology Conference 2018 Conference?

High impact 25+ main sessions with 120+ sub sessions that address advance knowledge with current scenario and best practices presented through peer-reviewed and selected abstracts;

Scientific tracks helps to identify content focused to area of specialty. Tracks include: Basic Science, Business/Administration, Clinical Practices, Clinical Science, Educators, Pediatrics science.

Dynamic panel discussions with opportunities for audience interaction

Expanded technical focus demonstrations detailing specific tips to perform challenging procedures

Diverse learning formats and content delivery, including didactic lectures, debates, symposium, workshops and interactive sessions designed to accelerate and maximize your learning experience;

Global representation of Neurologist – Speakers across the world share their current research findings and expertise at the meeting, providing quality focused content.

Category	Registration Price
Speaker	499
Delegate	449
Exhibitor	1599
Student	299
Day 1	199
Day 2	299

Take advantage of group specials. Much nominal prices for a team of 4 or more

GROUP PASSES AVAILABLE

You Are Invited!

It's an honor to invite you to give a talk at the 13th World Conference on Neurology and Neuromuscular Disorders, an event which brings together leading researchers to spark deep conversations and connections in the field of Neurology .

Submit your Abstract at:
conferenceneurology@yahoo.com

Is there something more than giving a talk?
If you are thinking the same, the answer is YES!
The following are the Special Benefits, our Participants can Avail

- All accepted abstracts will be published in our Journal, Journal of Neurology and Neuroscience
- The abstracts will be provided with a unique Digital Object Identifier by Cross Ref
- Speaker Certificates will be issued
- You may also get a chance to Chair a Session
- The NETWORKING Hour

Conference Venue

H4 Hotel Frankfurt Messe
Oeserstraße 180, 65933 Frankfurt am Main
Germany
