Conference Series llc LTD welcomes you to attend the **INTERNATIONAL CONFERENCE ON CANCER RESEARCH AND DIAGNOSTICS**, which is going to be held in **Singapore** during **August 15-16, 2018**.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of **CANCER RESEARCH AND DIAGNOSTICS**.

Cancer Diagnostics Conference 2018 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is “**Cancer survived is a life revived**”.

Regards,
Cancer Diagnostics Conference 2018
Operating Committee

Tentative Agenda

Cancer Diagnostics Conference 2018

August 15, 2018 Monday

<i>Time</i>	<i>Session</i>
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	<i>Group Photo</i>
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Oncology Organ Specific Cancer
13:00-13:45	Lunch Break**
13:45-16:00	Cancer cell biology Oncology diagnosis: tools, technology and procedures
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Nanotechnology in cancer Recent diagnostic techniques

Day Concludes

August 16, 2018 Tuesday

<i>Time</i>	<i>Session</i>
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Cancer screening and prevention Cancer immunotherapy and types Cancer diagnostics market
11:30-13:00	Cancer diagnostics-types and staging Cancer biopsy Cancer: vaccines and therapeutics
13:00-13:45	Lunch Break**
13:45-16:00	Cancer biomarkers Molecular targeted cancer therapy and precision medicines Cancer pharmacology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Cancer radiology Oncology nursing Case reports

Day Concludes

The field of CANCER RESEARCH AND DIAGNOSTICS is growing rapidly and its development is making tremendous impacts in the field of Oncology. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Cancer Diagnostics Conference 2018

- *Opportunity to attend the presentations delivered by eminent scientists from all over the world*
- *Selected contributions will be published in following Conference Series llc LTD Journals*
 - *Journal of Cancer Science & Therapy*
 - *Journal of Cancer Diagnosis*
 - *Journal of Integrative Oncology*
 - *Journal of Medical Diagnostic Methods*
- *Participation in sessions on specific topics on which the conference is expected to achieve progress*
- *Global networking: In transferring and exchanging Ideas*
- *Share your excitement in promoting your skills in the field of designing*
- *Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers*

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series llc LTD Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

SINGAPORE, popularly known as “the LION city” is a worldwide city and is densely populated island with tropical vegetation. Singapore is a worldwide trade and transport center point.

Singapore is considered as an imperative place for advanced education and harbors, and also consists of well renowned schools and Universities. Singapore summit surely assume a fundamental part in advancing logical data and thoughts everywhere throughout the world. It can be considered as an appropriate medium for the exchange of profitable learning about research and novel progression around the world. The conferences partaking here would progressed as an assortment of logical thoughts among contenders coming from a place with different arena of science and innovation.

Apart from this, Singapore has been put aside for parks and natural reserves. The web of natural stores, parks, park connectors, common ways, tree-lined streets and other natural areas have upgraded the feeling of green space in the city which will keep you occupied for a considerable length of time. Singapore has a tropical rainforest atmosphere, uniform temperature, weight, high dampness and bounteous rainfall.

Abstract Submission
