

3rd International Conference on

Neuroscience, Neuroradiology & Imaging

October
03-04, 2018
Osaka, Japan

Theme:
Recent Innovations in
Neuroscience, Neuroradiation
and Imaging Techniques

Conference Series welcomes you to attend the 3rd International Conference on Neuroscience, Neuroradiology & Imaging, which is going to be held in Osaka, Japan during October 03-04, 2018.

We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Neuroradiology and Imaging.

Neuroimaging 2018 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "Recent Innovations in Neuroscience, Neuroradiation and Imaging Techniques".

Regards,
Neuroimaging 2018
Operating Committee

DAY-01 | October 03, 2018

Time	Session
08:30-09:30	Registrations
Group Photo	
09:30-10:30	Keynote Forum
10:30-10:45	Network & Refreshments Break*
10:45-13:00	Track 1: Neuroradiology and Neuroimaging Track 2: Radiation Technology in Neuroscience Track 3: Advances in Neuroradiology and Neuroimaging"
13:00-13:45	Lunch Break*
13:45-16:00	Track 4: Radiation Toxicity and Patient Safety Track 5: Biomedical Imaging Informatics Track 6: Neuroimaging in Neurological disorders"
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Track 7: Transparent Animal Model and Biomarkers in Neuroimaging Track 8: Cognitive Neurology and Brain Mapping"
Day Concludes	

DAY-02 | October 04, 2018

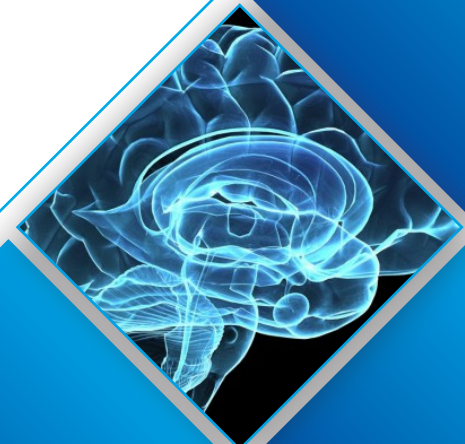

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-10:45	Network & Refreshments Break*
10:45-13:00	Track 9: Functional and Structural Neuroimaging Track 10: Clinical Neurology and Neuro-Nursing Track 11: Neuroendocrine Immunology"
13:00-13:45	Lunch Break**
13:45-15:00	Track 12: Radio Immunotherapy Track 13: Rapid Growing Neuroimaging and Interventional Radiology"
15:00-15:15	Network & Refreshments Break*
15:15-16:30	Track 14: Entrepreneurs Investment Meet
16:30-18:00	Poster Presentations
Day Concludes	
Award Ceremony	
Conferece Concludes	

The field of Neuroradiology which include the Neuroimaging, Interventional Radiology, Cognitive Neuroscience, Brain mapping, etc.

Neuroimaging 2018

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following Conference Series Journals
 - International Journal of Clinical & Medical Images
 - Journal of Molecular Imaging & Dynamics
 - OMICS Journal of Radiology
 - Journal of Imaging and Interventional Radiology
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Share your excitement in promoting your skills in the field of designing
- Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Osaka is the capital of Osaka Prefecture and the largest component of the Keihanshin Metropolitan Area in Japan. In the multitude of people experiencing Neurological issues the endurance of nearly 40 associations and societies affiliated to Neuroradiology is seen in Osaka, Japan. Japan is displacing towards contemporary Psychology industry from its traditional “shinrigaku”.

Osaka is the major economic hub in the world, hosting 19 million people in its urban area. The GDP in Osaka is about \$341 Billion. Osaka is the second most expensive city for expatriate employees in the world 2009. Osaka was the center of commerce in Japan, especially in the middle and pre-modern ages; Osaka still houses a leading futures exchange. Many major companies have moved their main offices to Tokyo; several major companies are headquartered in Osaka.

Osaka is known for its modern architecture, nightlife and hearty street food. It is also known as the “Nation’s Kitchen”. The 16th Century Osaka Castle is the major attraction in this city along with the bustling Umeda Underground Mall and Namba Park. Osaka is home to the National Bunraku and famous for the Umeda Arts Theater.

Osaka is famous for The National Museum of Art (NMAO), a subterranean Japanese and international art museum, Osaka Science Museum with a planetarium and an OMNIMAX theatre. Also The Museum of Oriental Ceramics holds more than 2,000 pieces of ceramics, from China, Korea, Japan and Vietnam, featuring displays of some of their Korean celadon under natural light. Major interesting places like Osaka Municipal Museum of Art which is inside Tennoji Park and the Osaka Museum of History, located in a 13-story modern building providing a view of Osaka Castle.

Important Dates

Abstract submission opens: July 03, 2017

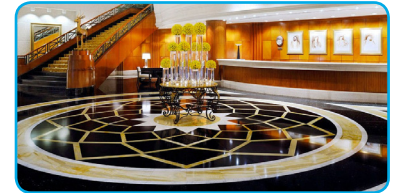

Registration opens: July 10, 2017

Early bird registration: June 30, 2018

On spot registration: October 03, 2018

Venue

Osaka, Japan

Email

neuroimaging2018@protonmail.com, neuroimaging2018@gmail.com

Abstract Submission
