“ I am delighted to report that we had an absolutely successful, very fast relocation of our data center as a result of the kind of leadership and communication that has come from Conscious Solutions trainings. ”

**Anteneh Avele, CIO,  
Weikfield Mnemonix Info Networks,  
India**

“ The majority of our leaders are much better equipped to handle challenging communication situations. One of the things most helpful was the Art of Asking Questions for instructing more effectively. I would very much recommend that type of training for any leader. ”

**Ajay Gupta, HR, Bajaj Allianz,  
Pune, India**

“ Her style is amazing, invigorating and so effective. Your people will become more purpose-oriented and receive skills to directly transform daily work situations and create long-lasting results. She is outcome and result driven and worth your investment. ”

**William Edmondson,  
President Selling in the Zone, Seattle,  
USA**
