- Capitalise on this matchless platform to create sales leads and make lasting relationships with clients
- Meet your customers face-to-face
- Take advantage of discounted conference registration for your company staff.

### What do attendees look for?

- Pharmaceuticals
- Diagnostic & Equipment
- Publications, Education and Professional Placement
- Academic Research
- New Technology
- Technology Products / Virtual Reality Systems / Biofeedback Equipment
- Publishers and Test Publishers
- Products and Tools to Help Them as They Begin to Establish Their Career

# TESTIMONIALS FROM PAST SPEAKERS

The conference is very nice and many people here were has done some remarkable things and so nice to hear all of their creative thinking which is going on and see a lots of people who are making a difference in the world.

**Dr. Carroy (Cuf) Ferguson, USA**

It is really an exciting conference with the participation of attendees and I'm really so happy about this experience and hope to come back every year to continue my participation working on research and an International approach which is so beautiful. Thank you very much for everything.

**Dr. Javier Fiz Perez, Italy**

The conference is great, I love New York and I will definitely think about joining for next year and thank you for your kind invitation once again.

**Dr. Fredrike P Bannink, Netherlands**

The conference is very interesting and very good, a wide ray of topics and would love to join New York conference definitely in 2018.

**Dr. F Cal Robinson, USA**

It was a professionally enriching conference as there were many amazing speakers who came with their expertise and empirical research.

**Dr. Chris Arockiaraj, USA**

Thank you so much for the invitation; it was indeed a very positive experience for me. I met many interesting people, and had many fruitful conversations. I will try my best to attend and present my new research during next year's conference in New York.

**Dr. Nadine J Zlaket, Lebanon**

I had a great time at the conference. I have met so many amazing people.

**Sandy Joy Weston, USA**

I would love to say that so far this experience is been a very positive experience at this world summit. The people are coming from all over the World has been many different speakers talking about many different topics and they are happy, they dance, they clap. We see people talking about statistics, with their own personal life they are been through and I would love to join for next year conference. I love Moderating which is a great opportunity and it's been really fun and looks forward to do it again for 2018 conference with these fabulous people literally coming from all over the world.

**Alain Jean-Baptiste, Canada**

I enjoyed attending and presenting at the conference. Again, thank you for the opportunity

**Peta Gayle Oates-Blake, Jamaica**

The conference is pretty good, we had fun presenting and we really enjoyed each other. We would love to join next year.

**Meghan Kirwin, UK  
Dr. Elizabeth K Misener, USA**

Addiction Therapy & CBT conference is really amazing and providing an exceptional knowledge to the audience where we share one another and feeling new experiences from many experts on this work. I am really happy about what I get the new skills and knowledge by attending this conference.

**Dr. Jassim Mohamed Al Mrzooq, UAE**

The conference is really awesome and is going great and very positively. I am glad to see this live conference in my life and I am here with my wife and younger daughter all the way from India where we are much facilitated and really loved the conference.

**Dr. Jigar Parikh, India**

It was very interesting conference and I got lot of new ideas. Based on these new ideas I have started new projects and hope introduce in your future events.

**Mohammad Reza Dawuodi, Finland**

It was an interesting experience for me as well, I enjoyed it very much. Thank you for your support and help. I would be glad to participate at next year's Congress.

**Karin Sernec, Slovenia**

I enjoyed the conference and I learned a lot from it, and got the incredible chance to meet many bright brains from all over the world.

**Lama Muhammad, USA**

I would like to express my gratitude for the management to give me the chance of attending such a great congress. It was a great experience; I made contact with many of the contributors whom I will contact by mails soon for future cooperation.

**Eman Ahmed Zaky, Egypt**
