

2nd World Congress on

Osteoporosis and Bone Health

Theme:

Advances in the evaluation and treatment of Bone Health

April 22-23, 2019
Madrid, Spain

Invitation

Welcome to Madrid, the capital of Spain, and the greatest district of the Community of Madrid, The city is situated on the Manzanares in the point of convergence of both the country and the Community of Madrid; this gathering is encompassed by the self-overseeing gatherings of Castile and Castile-La Mancha and León. Madrid houses the home office of the World Tourism Organization. EuroSciCon is proud to host the 2nd World Congress on Osteoporosis and Bone Health scheduled during April 22-23, 2019 in Madrid, Spain around the theme focusing on Advances in the evaluation and treatment of Bone Health.

Osteoporosis Conference 2019 will provide an unprecedented opportunity for Professionals, Doctors of all stripes and colors to share their research and experience with colleagues along with discuss and debate the latest advances in the field. We invite Osteologists, Orthopaedic surgeons, Rheumatologists, Endocrinologists, Oncologists, Geriatricians, General Practitioners, Dieticians, Nutritionists, Radiographers, Pharmacists, Nurses, Allied Health Professionals and Researchers in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career and just starting out professionals are all welcome with a broad array of keynote presentations, panel discussions, workshops, and poster sessions. The Osteoporosis Conference 2019 is the perfect venue not only to dive into your particular Osteology and bone health interests but also to expand the scope of your knowledge. The 15 tracks are being devoted to subjects like Osteoporosis, Bone Health, Physiotherapy and Pain Management, Arthritis and Rheumatology, Musculoskeletal Disorders, Osteoporosis and Geriatrics, Osteoporosis and Endocrine Disorders, Osteoporosis and Nutrition, Paediatric Osteoporosis, Genetics of Osteoporosis, Osteoporosis and Cancer, Osteoporosis Medications, Osteoporosis Medications, Orthopedic Surgery and Sports Medicine, Lumbar Radiculopathy.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we now need to convert the extensive program on paper to an active and vibrant Osteoporosis forum in person is your active participation.

Best Regards
Organizing Committee
Osteoporosis Conference 2019

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

April 22-23, 2019
Madrid, Spain

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ Orthopaedic surgeons, Rheumatologists, Endocrinologists, Oncologists accessing the website, Osteoporosis Conference 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Osteoporosis Conference 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

**April 22-23, 2019
Madrid, Spain**

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

Who'd be attending?

2nd World Congress on Osteoporosis and Bone Health plays host for the Multinational Organizations, Entrepreneurs across the globe, the researchers and academicians. Prominently Osteologists, Orthopaedic surgeons, Rheumatologists, Endocrinologists, Oncologists, Geriatricians, General Practitioners, Dieticians, Nutritionists, Radiographers, Pharmacists, Nurses, Allied Health Professionals and others who stay plunged in learning and practice of the Osteoporosis and Bone Health.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Osteoporosis
- Bone Health
- Physiotherapy and Pain Management
- Musculoskeletal Disorders
- Osteoporosis and Geriatrics
- Osteoporosis and Endocrine Disorders
- Osteoporosis and Nutrition
- Paediatric Bone Health
- Genetics of Osteoporosis
- Osteoporosis and Cancer
- Osteoporosis Medications
- Osteoporosis and Women
- Orthopedic Surgery and Sports Medicine
- Lumbar Radiculopathy

See your work **PUBLISHED**
in one of our related journals

- Journal of Bone Research and Reports
- Acta Rheumatologica
- Journal of Geriatric Research

About Osteoporosis Conference Destination Madrid

Madrid, the capital of Spain, is a cosmopolitan city that solidifies the most present day systems and the status as a fiscal, budgetary, and administrative and advantage center, with a broad social and stunning heritage, a legacy of many years of empowering history.

Deliberately situated in the geographic focal point of the Iberian Peninsula at a height of 646 m above ocean level, Madrid has a standout amongst the most critical memorable focuses of all the colossal European urban areas. This legacy consolidates flawlessly with the city's cutting edge and helpful frameworks. These conditions, together with all the drive of a dynamic and open society – and in addition brave and friendly– have made this city one of the immense capitals of the Western world.

Barely any urban groups boast a mind blowing family exceptionally as unadulterated as Madrid's: various art lovers return here again and again. For an extensive time span, Spanish royals showered approval and riches upon the finest authorities of the day, from home-created capacities, for instance, Goya and Velázquez to Flemish and Italian greats. Works of art by these and other Spanish painters, for instance, Picasso, Dalí and Miró now adorn the dividers of the city's existence class presentations. Three particularly are goliaths – the Museo Del Prado, Centro de Arte Reina Sofía and Museo Thyssen-Bornemisza – yet in Madrid these are just awesome spots to start.
