Dubai, UAE

Tourist Attractions

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks. Dubai constantly dwells in a suppressive competition with itself trying to magnetize tourists to a dreamy world of attractions and unheard of luxuries. Dubai is known as the “Shopping Capital of the Middle East”.
