- Heart Disease
- Cardiovascular Disease and Nutrition
- Cardiac Pharmacology
- Cardiac Surgery
- Cardio-Oncology
- Cardiac Nutrition and Public Health
- Cardiology Genetics
- Cardiac Nursing
- Interventional Cardiology
- Pediatric Cardiology
- Cardiac Toxicity
- Veterinary Cardiology
- Case Reports in Cardiology
- Clinical Cardiology
- Cardiomyopathies
- Heart Diagnosis & Medication
- Cardiology Medicine
- Case Reports on Cardiology
- Hypertension

- Diabetes and Its Treatment
- Diabetes Complications
- Diabetic Retinopathy
- Diabetic Nephropathy
- Clinical Diabetes and Diagnostic Approaches
- Diabetes Management
- Advanced Technologies & Treatments for Diabetes
- Genetics of Diabetes
- Anti-Diabetic Medications
- Focus in Diabetes Research
- Endocrinology and Metabolic Syndrome
- Endocrinology: Disorders & Treatment

TENTATIVE AGENDA

DAY 1: August 19, 2019

Time	Session
08:00-09:00	Registrations
09:00-11:00	Keynote Forum
11:00-11:15	Network & Refreshments Break
11:15-12:30	Heart Disease Cardiovascular Diseases and Nutrition Cardiac Pharmacology Cardiac Surgery Cardio-Oncology
12:30-13:15	Lunch Break & Group Photo
13:15-15:30	Cardiac Nutrition & Public Health Cardiology Genetics Cardiac Nursing Interventional Cardiology Pediatric Cardiology
15:30-16:00	Network & Refreshments Break
16:00-17:00	Cardiac Toxicity Veterinary Cardiology Case Reports In Cardiology Clinical Cardiology Cardiomyopathies
	DAY CONCLUDES

DAY 2: August 20, 2019

Time	Session
08:00-09:00	Registrations
09:00-10:00	Keynote Forum
10:00-11:00	Heart Diagnosis & Medication Cardiology Medicine Case Reports On Cardiology Hypertension Diabetes & Its Treatment
11:00-11:15	Network & Refreshments Break
11:15-12:30	Diabetes Complications Diabetic Retinopathy Diabetic Nephropathy Clinical Diabetes Diabetes Management Genetics Of Diabetes
12:30-13:15	Lunch Break & Group Photo
13:15-15:30	Anti-Diabetic Medications Focus In Diabetes Research Endocrinology and Metabolic Syndrome Endocrinology : Disorders & Treatment
15:30-16:00	Network & Refreshments Break
16:00-17:00	Poster Presentations and Certificate Distributions

IMPORTANT DATES

Registrations Deadline:

Early Bird Registration	15 January, 2019
Post Early Bird Registration	15 April, 2019
Final Registration	19 August, 2019

Abstract Deadline:

First Round of Abstract Submission	10 January, 2019
Second Round of Abstract Submission	19 April, 2019
Final Round of Abstract Submission	05 July, 2019

Conference Date : 19-20 August, 2019

ABOUT OSAKA

Osaka is the second largest metropolitan area in **Japan** and serves a major economic hub. Historically a merchant city, Osaka has also been known as the “**Nation’s Kitchen**”. With a population of 2.5 million, Osaka is Japan’s third largest and second most important city. It has been the economic powerhouse of the Kansai region for many centuries. The city’s west side has the main port as well as a tourist destination with attractions such as Kyocera Dome, Universal Studios Japan, Osaka aquarium, Minami, Osaka castle, Umeda sky building and the Tempozan Harbour Village. Osaka is known for its food, both in Japan and abroad. Author Michael Booth and food critic François Simon of Le Figaro have both suggested that Osaka is the food capital of the world. Osaka’s culinary prevalence is the result of a location that has provided access to high quality ingredients, a high population of merchants, and close proximity to the ocean and waterway trade. In recent years, Osaka has started to garner more attention from foreigners with the increased popularity of cooking and dining in popular culture. The National Museum of Art (NMAO) is a subterranean Japanese and international art museum, housing mainly collections from the post-war era and regularly welcoming temporary exhibitions. Osaka Science Museum is in a five storied building next to the National Museum of Art, with a planetarium and an OMNIMAX theatre. The Museum of Oriental Ceramics holds more than 2,000 pieces of ceramics, from China, Korea, Japan and Vietnam, featuring displays of some of their Korean celadon under natural light.
