ABOUT CONFERENCE

World Pediatrics Congress and Neonatology” which will take place April 25-26, 2019 in Valencia known for its City of Arts and Sciences in Spain. The theme of the Pediatrics and Neonatology 2019 Conference is “Global Child Health and Development, Novel Technology in Child & Infant Care”

This Congress provides Clinicians with the latest information on current issues in Pediatrics and Neonatology to explore updates in the Pediatric practice and New born Infants by experts in the field with interactive and engaging sessions in both minor and major group learning formats, this event offers the opportunity to advance knowledge and skills in Pediatrics and Neonatology.

The Conference program will be both exciting and innovative in its wide-ranging and multidisciplinary content. In addition to oral and poster presentations by world prominent speakers, we will be providing workshops, interactive sessions as well as several sessions specifically dedicated to nurses, patients and sponsors.

This is an event committed completely to offer an ideal forum for all to refresh knowledge and offer plenty of networking opportunities with leading scientists, researchers, practitioners, friends and colleagues, as well as sponsors and exhibitors.
