

FOOD CHEMISTRY CONGRESS 2019

2nd European Food Chemistry & Nutrition Congress

July 15-16, 2019 | Amsterdam, Netherlands

Theme: Investigating the Interrelationship of Food and Human Health

Dear Colleagues,

We are glad to announce the **2nd European Food Chemistry & Nutrition Congress** to be held in **Amsterdam, Netherlands** from in collaboration with generous support and Cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Food Chemistry Academia, Researchers, Industries, Innovators – coming together to present and discuss current topics in Food Chemistry, Food & Nutrition, Food Science Technology, Nutraceuticals, Clinical Nutrition, Probiotics & Prebiotics, Advance Food Processing Technologies, Food Microbiology.

As the premier event, we have developed a program with your interests in mind. We have not only increased the Number of opportunities for you to network with colleagues from across the world but also introduced more Focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction With industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Food Chemistry Congress to network With your peers, exchange expertise and experiences, and arm yourself with the latest information to take your Department to the next level.

We look forward to personally welcome you to **Amsterdam** this **July**.

Sincerely,
Food Chemistry Congress 2019

Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.

- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be

Published in Respective Supported Journals

Each Accepted abstracts will be provided with
A digital Object Identifier by 

About Conference

Food Chemistry Congress 2019 will be an important and valuable platform for inspiring international and interdisciplinary exchange at the forefront of Food Research. The Conference will covers a series of presentations and discussions in plenary, concurrent and poster sessions, informal gatherings, and exhibitions. Food Chemistry helps to design and develop new Food Products for industries. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional Feature that you would be receiving in addition to networking opportunities before, during and after the conference..

Food Chemistry Congress 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series llc LTD Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Food Chemistry present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Food Chemistry & Nutrition
- Discuss and apply recent research findings related to Food Chemistry & Nutrition
- Reflect on the place of critical distance in Food Chemistry & Nutrition

Who should attend

Food Chemistry Congress 2019 is exclusively designed for Food Chemist, Food Laureates, Food Industrialist, Nutritionists, Food Researchers, Academicians, industrial professionals and student delegates from Academia and Research Along with the industrial professionals from Food companies and healthcare

About hosting organization

Conference Series llc LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by  Crossref

Major Sessions

- | | | |
|---------------------------------------|--|--|
| • Food Chemistry | • Food Analysis and Quality Control | • Nutritional Epidemiology |
| • Nutritional Sciences | • Probiotics and Prebiotics | • Dairy Food Technology |
| • Food Science and Technology | • Food Engineering | • Food Biochemistry |
| • Nutraceuticals and Medicinals Foods | • Agri Food Technology | • Nutrition & Diet Management |
| • Food Biotechnology | • Paediatric Nutrition | • Advance Food Processing Technologies |
| • Clinical Nutrition | • Food Authenticity and Food Integrity | |
| • Food Microbiology | • Malnutrition | |

About Amsterdam

Amsterdam is the capital and most populous municipality of the Netherlands. Its status as the capital is mandated by the Constitution of the Netherlands although it is not the seat of the government, which is The Hague. Amsterdam has a population of 851,373 within the city proper, 1,351,587 in the urban area, and 2,410,960 in the Amsterdam metropolitan area. The city is located in the province of North Holland in the west of the country but is not its capital, which is Haarlem. The metropolitan area comprises much of the northern part of the Randstad, one of the larger conurbations in Europe, with a population of approximately 7 million. Amsterdam's name derives from Amstelredamme indicative of the city's origin around a dam in the river Amstel. Originating as a small fishing village in the late 12th century, Amsterdam became one of the most important ports in the world during the Dutch Golden Age (17th century), a result of its innovative developments in trade. During that time, the city was the leading center for finance and diamonds. In the 19th and 20th centuries the city expanded, and many new neighborhoods and suburbs were planned and built. The 17th-century canals of Amsterdam and the 19–20th century Defence Line of Amsterdam are on the UNESCO World Heritage List. Since the annexation of municipality Sloten in 1921 by the municipality of Amsterdam, the oldest historic part of the city lies in Sloten (9th century). As the commercial capital of the Netherlands and one of the top financial centers in Europe, Amsterdam is considered an alpha world city by the Globalization and World Cities (Gawks) study group. The city is also the cultural capital of the Netherlands. Many large Dutch institutions have their headquarters there, and seven of the world's 500 largest companies, including Philips and ING, are based in the city.

Tourist Attractions

Registrations

Academic

Only Registration: USD 699

Package A (Registration + 2 nights' Accommodation): USD 1059

Package B (Registration + 3 nights' Accommodation): USD 1239

Business

Only Registration: USD 799

Package A (Registration + 2 nights' Accommodation): USD 1159

Package B (Registration + 3 nights' Accommodation): USD 1339

Student

Young Research Forum: USD 449

Poster Presentation: USD 100

Student Delegate: USD 300

E-Poster: USD 99

Important Dates

Abstract submission opens: **August 24, 2018**

Registration opens: **August 10, 2018**

Early Registration: **on/before October 6, 2018**

On spot registration: **July 15, 2019**
