Venue & Accommodation

# Helsinki, Finland

Bucharest is the center of Romanian media, lifestyle, art work and has industrialized for the reason that global conflict-II. It's also an important transportation center for people and goods. Since early 21st century, the city has been constantly modernized and is still undergoing urban renewal.

There are several tourist attractions of Bucharest which result in the beautiful architecture of the city. Vasilica Viorica Dancila, the present Prime Minister of Romania, wants Bucharest to become the financial center of Romania by increasing the tourist attraction of Romania.

Various of the tourist attractions in Bucharest include Dracula's Castle (Bran Castle), the elegant Peles Castle, the Romanian Parliament, Athénée Palace Hilton, Jewish History Museum, Calea Victoriei (the wooden path) and The Bucharest Telephone Palace which is a style reminiscent of the American skyscraper.
