Testimonials

Thank you for the conference note. The conference covered a diverse group of topics with a true international flavor in terms of the attending delegates.

Nigel Smart, Smart Pharmaceutical Consulting, USA

I would like to thank you for the opportunity to make the presentation last Thursday at IPharma18 in Philadelphia. It was a good experience and I would like to think that my presentation was well received by the audience.

Nelson Kardos, Duquesne University, USA

iPharma 2018 offered everything we needed, from Drug Discovery and Development to Pharma Marketing, Pharma Manufacturing, Industrial Pharmacy. It gives all participants a productive conference experience. We'll come back year after year

Ye Xu, Jilin Medical University, China

The conference was good, even some speaker could not attend because of the weather. It was a great experience for me and I am really glad for the experience

subheading

Livio Luongo, Università Vanvitelli, Italy

My US experience was very good and will always fondly cherish the memories. Would like to be back again in a year or so. I wish we could meet

Sanju Nanda, MDU, India

It has been a great opportunity to share the experience and state-of-the-art in the pharmaceutical field among academia and industry. It served a good platform for efficient networking.

Nataliya Storozhylova, University of Santiago de Compostela, Spain

Glance at 2018

About Philadelphia

Once the original capital of America, Philadelphia has a history enriched with culture, history and symbolism. The city is a melting pot of races, traditions and immigrant cultures and also possesses amenities that only the city's own heritage can provide. It has one of the nation's greatest concentrations of historic sites, which play a major role in attracting some three million visitors to the city every year.

With four centuries of history, Philadelphia's unique story is narrated in the architecture, neighborhoods, streets and museums. Beautiful green landscape fringes the vibrant concoction of the business district and shopping and dining precincts. But it is not just the physical beauty that allures tourists – it is the cultural, culinary and artistic jewels that draw in the crowds.

With an abundance of attractions and things to do, you will find that Philadelphia will entertain you in same way or another. Whether it be watching performing arts, going on a candlelit tour, dancing the night away, unwinding in a spa, visiting the zoo, cruising in Chinatown, eating an unforgettable meal at one of the many renowned restaurants or having fun kayaking or bike riding outdoors, there is always something for everybody!!
