

WORLD CONGRESS ON CHEMISTRY AND DRUG DISCOVERY

Theme: Exploring recent innovations in Chemistry and Drug Discovery

July 15-16, 2019 / Toronto, Canada

Invitation:

Ology Mavens is delighted to welcome you to Toronto, Canada for the conference “World Congress on Chemistry and Drug Discovery” during July 15-16, 2019.

The Conference will focus on “Exploring recent innovations in Chemistry and Drug Discovery”. Conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.

What is World Chemistry 2019

World Chemistry 2019 is designed to canvas recent research trends in all aspects of chemistry and drug discovery. This provides an excellent platform to chemistry professionals and drug chemists around the globe to manifest their newest research discoveries, techniques and develop new fruitful collaborations. The invited talks by eminent scientists and subject experts are expected to seed research zeal in young minds and generate interest in them to take up the challenges of current chemistry research and flourish with magnificent research outcomes

About Us

Ology Mavens organizes Healthcare, Medical, Clinical, chemical, Pharmaceutical, Technological, Engineering, and Business annual conferences, meetings and events (CME) across the world. Ology Mavens is a perfect destination to go with the right choice of subject expertise for an individual to deliver and discuss recent advancements and interact with the core group of participants from all over the world. Ology Mavens also provides networking opportunities and B2B meetings. Our unique strength lies in integrating experts from various sectors to gain an outright understanding of chemical sense. Now we're coming up with this huge collaboration going to be held in Toronto, Canada.

2 Days of Scientific Interactions

20+ Scientific Sessions

50+ International Faculty Members

100+ Healthcare Professionals

Special Issues: All accepted abstracts will be published in respective Supporting International Journals Each abstract will be provided with digital Object Identifier (DOI) number.

Who can attend?

Chemistry scientists, Professors, Chemistry Subject Experts, Drug Chemists, Pharmaceutical Engineers, research fellows, Scientific Communities, Business Professionals, Students and executives around the globe.

Registration and Abstract Submission

For payable fee details and registration slots, go through

<https://www.ologymavens.com/cme/chemistry/chemistry-conferences/registration>

Those wishing to give presentations, can take up any **scientific track** out of enormous chemistry & drug discovery world ranging from theoretical aspects of chemistry to advanced applied chemistry research in any allied area including drug discovery-synthesis, up to the minute. Abstracts can be submitted at

<https://www.ologymavens.com/cme/chemistry/chemistry-conferences/abstract-submission>

Plan Your Trip To Toronto, Canada

Mark these dates:

Early bird Registration: November 30, 2018

Mid-registration: February 25, 2019

On spot registration: July 15, 2019

Conference dates: July 15-16, 2019

Must Visit places in Toronto:

- CN Tower
- Royal Ontario Museum
- Lake Ontario
- Saint Lawrence River
- Seaway Eaton Center
- Entertainment District
- High Park
- Ontario Science Centre
- Ripley's Aquarium of Canada
- Rogers Centre
- Niagara Falls Day Trip from Toronto
