

EuroSciCon 

2nd European Congress On

Ophthalmology

Theme:

Advance techniques and modern trends in the field of ophthalmology

March 21-22, 2019
Amsterdam, The Netherlands

Invitation

Come join us in Amsterdam, The Netherlands the bustling hub of Europe on March 21-22, 2019 for 2nd European Congress On Ophthalmology. This year's theme is Advance techniques and modern trends in the field of ophthalmology. Euro Ophthalmology 2019 will provide an unprecedented opportunity for Ophthalmologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Ophthalmologists, Opticians, Ocularists, Orthoptists, Ophthalmic medical practitioner, Optometrist Popular Researchers and Scholars in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Euro Ophthalmology 2019 Conference is the perfect venue not only to dive into your particular ophthalmology interests but also to expand the scope of your knowledge. The tracks are devoted to subjects such as the Eye & Comprehensive Eye Care, Smartphones and Eyestrain, Retina and Retinal Disorders, Cornea and Corneal Diseases, Glaucoma, Cataract and Refractive Surgery, Dry eye and Uveitis, Ocular Trauma, Diabetic Retinopathy, Oculoplastics and Orbit Surgery, Novel Advances in Vision Improvement, Diagnostic and Imaging Tools in Ophthalmology, Ocular Oncology and Ocular Pharmacology, Optometry, Neuro-Ophthalmology, Paediatric Ophthalmology, Emerging Trends in Ophthalmic Drug Delivery, Ophthalmic Pathology, Vision Science and Vision Therapy, Ophthalmic Genetics and Ocular Inflammation and Immunology. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Ophthalmological forum in person is your active participation.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ Ophthalmology accessing the website, Ophthalmology 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Ophthalmology 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

March 21-22, 2019
Amsterdam, The Netherlands

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

Who'd be attending?

2nd European Congress On Ophthalmology plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Ophthalmology Consultants, Opticians, Ocularists, Orthoptists, Ophthalmic medical practitioner, Optometrist Popular Researchers and Scholars, Ophthalmology Associates and Societies, Business Entrepreneurs, Vision Research Labs Members, Software developing companies, Associations Manufacturing Medical Devices and others who stay plunged in learning and practice of the science of Ophthalmology.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Eye & Comprehensive Eye Care
- Smartphones and Eyestrain
- Retina and Retinal Disorders
- Cornea and Corneal Diseases
- Glaucoma
- Cataract and Refractive Surgery
- Dry eye and Uveitis
- Ocular Trauma
- Diabetic Retinopathy
- Oculoplastics and Orbit Surgery
- Novel Advances in Vision Improvement
- Diagnostic and Imaging Tools in Ophthalmology
- Ocular Oncology and Ocular Pharmacology
- Optometry
- Neuro-Ophthalmology
- Paediatric Ophthalmology
- Emerging Trends in Ophthalmic Drug Delivery
- Ophthalmic Pathology
- Vision Science and Vision Therapy
- Ophthalmic Genetics
- Ocular Inflammation and Immunology
