

About Conference

Nephrologists Congress 2019 is a leading premier forum and an International Conference dedicated to Nephrology and Hypertension with the theme
“**New advances for prevention/ treatment in the field of Nephrology and Hypertension**”

Nephrologists Congress 2019 has been designed to extensively explore a variety of scientific and clinical aspects of hypertension & Kidney disease throughout the lifespan, and throughout the spectrum of kidney disease. Nephrologists Congress 2019 will be an international event focusing on the core knowledge and major advances in the ever-expanding field of Nephrology & Hypertension by attracting experts on a global scale. This year, we also hope to bring together experiences from different countries and exchange their views, reinforce knowledge base, and learn new concepts.
