Greeting from President of Indonesian Orthopaedic Association (IOA)

Dear Colleague & Friends

On behalf of the Indonesian Orthopaedic Association, It is my great pleasure to welcome you to attend the next Business Meeting of Indonesian Orthopaedic Association on Nov 14th-17th in Bandung.

The theme of this meeting is "Recent Advances in Spine Surgery: Minimal Invasive and Novel Instrumentation Methods, Preparing Orthopaedic Surgeons for the Present and Future" which is quite important for us to keep update about new advance and technology in orthopaedic surgery and techniques. There will be numerous Lectures, Symposium, Workshops, Case Discussion and with outstanding international speakers as well as national speakers.

This time the meeting will be held in Bandung, where after the meeting and lectures, you can take time to take a vacation to the beautiful panorama, culinary tourism, and historical sites the city can offer. We believe that with the support of the Pharmacy Company and also Medical Equipment Company, this event will run smoothly and fruitfully. We would like to express our gratitude to the whole companies that support this event.

Yours Sincerely

Prof. Zairin Noor, MD, PhD

President of Indonesian Orthopaedic Association (IOA)

Greeting from Chairman of the Organizing Committee

Dear Colleague & Friends

With great pleasure I would like to invite you all to attend the 14th Business Meeting of Indonesian Orthopaedic Association on Nov 14th-17th in Bandung, organized by the West Java Chapter of the IOA.

For this year's meeting, which will take place at Bandung's Intercontinental Hotel, we present the theme of "Recent Advances in Spine Surgery: Minimal Invasive and Novel Instrumentation Methods, Preparing Orthopaedic Surgeons for the Present and Future". In this regard, a comprehensive array of sessions has been prepared. The meeting will feature Plenary Lectures, resident day lectures, and plenty of discussion sessions to be hosted by various regional and international experts.

The city of Bandung itself is a well-known tourism hub in Indonesia and a popular holiday destination. Visitors will likely be able to find many options among its combination of food tourism, cultural centers, natural beauty and scenic panorama, as well as famous shopping destinations to fulfill their interests.

We believe that 14th Business Meeting of Indonesian Orthopaedic Association (IOA) will become a rewarding and valuable scientific meeting for you, and also provide a pleasant moment in time for you and your family. See you all in Bandung!

Yours Sincerely,

Yoyos Dias Ismiarto, MD, Ph.D

CALL FOR PAPER

The IOA (PABOI) Congress committee is pleased to announce the call for paper submission. This competition is great opportunities to allow you greater participation in IOA congress. **IOA member, residents – trainees, general practitioners or any related professionals** are welcome to submit and encourage to participate in scientific paper submission to disseminate your research to public. There will be twocategories:

1. Final Paper exclusive for Indonesian Candidate of Orthopedic Board Examination
2. Free paper for oral or poster presentation, open for any relevant professional

1. **FINAL PAPER**

The Final Paper Presentation is designed for the local candidate of orthopedic board examination. The oral presentation is 8 minutes (include 2 minutes discussion), for each participants discussion is chaired by the jury.

Final paper will be reviewed and scored by jury of College of Indonesia Orthopaedic and Traumatology according to **BUKU PANDUAN PENULISAN, PRESENTASI, dan PENILAIAN NASKAH ILMIAH AKHIR**. Juries will select three winners.

Term and Conditions:

1. Submit your printed paper according term and condition of Indonesian Orthopaedic Collegium.
2. Submit your abstract in word format (.doc or .docx file type) to **Mrs. Sri Mulyati**(Orthopaedic FK UI Secretariat) at **srimumulyati_ati@yahoo.com**with subject format: KONKERBDG_FINAL_YourName
3. The deadline of both abstract and printed paper submission for Final Paper is on **September 30th, 2018**
4. The jury will select three winners
5. Please prepare your presentation in English and submit it (.ppt or .pptx file type) to our counter one day before (Monday, November 12th2018).

2. **FREE PAPER for Oral or PosterPresentation**

Any original research, reviews, or case presentation are welcome in this section (please refer to our format below). The oral presentation will be conducted for 8 minutes (include 2 minutes discussion).The discussion is chaired by the moderator. The poster presentation will be conducted for 7 minutes (include 2 minutes discussion). The poster will be displayed in multimedia screen.

Term and Conditions:

1. It is allowed for submit more than 1 manuscript, even in different category.
2. Please submit your abstract(s) in online registration form (Bit.ly/IOABandung). The upload field has been provided.
3. Please choose your preference (Oral or Poster presentation) in the form.
4. Upon juries consideration, your abstract(s) may be switch to other category (oral to poster, or vice versa)
5. The deadline of abstract(s) submission for Free Paper (Oral and Poster) will be on **September 30th, 2018**
6. Please provide your presentation (oral: **.ppt or .pptx file type**; poster: **.jpg or .jpeg file type with HxW 1920x1080 pixels**) to our counter one day before (Oral and Poster: Monday, November 12th2018).
6. The jury will select two winners in every category to be awarded.

NOTE: If you have any issue, please contact the committee (Ms.Andin +6281320290282 or Ms.Bondri +628122182191).

Please provide your presentation (oral: **.ppt or .pptx file type**; poster: **.jpg or .jpeg file type with HxW 1920x1080 pixels**) to our counter one day before (Oral and Poster: Monday, November 12th2018).

Scoring system for Oral Presentation:

	Assessment Criteria	Score Range
1	Introduction <ul style="list-style-type: none">• Title• Background• Case History (if any)• Problem• Scientific Gap• Purpose or aim of study / objective	1 – 20
2	Methodology (consistent with the aim & has shown logical, relevant, eligible approach)	1 – 20
3	Results & discussion (achieved, analyzed appropriately & clearly presented)	1 – 25
4	Novelty (Originality of the research)	1 – 10
5	Impact & relevance of the findings	1 – 15
6	Overall presentations (ideas are clearly organized, spoken coherently, presentation is good and clear)	1 – 10
		TOTAL = 100

Scoring system for Poster Presentation:

	Assessment Criteria	Score Range
1	Layout & clarity of the poster	1 – 20
2	Novelty (Originality of the research)	1 – 20
3	Methodology (consistent with the aim & has shown logical, relevant, eligible approach)	1 – 20
4	Results & discussion (achieved, analyzed appropriately & clearly presented)	1 – 20
5	Impact & relevance of the findings	1 – 20
		TOTAL = 100

Abstract Content Guidelines (but not limited)

Manuscript Type	Original Research	Review Article	Case Presentation
Abstract Content (less than 250 words)	Introduction Method Result Discussion Conclusion Keywords	Introduction Method Result Discussion Conclusion Keywords	Introduction History of Current Illness Interesting points for discussion, Solution and rationale Final outcome.
DO NOT insert any photo, figure, diagrams, or other media in the abstract.			

Free Paper Abstract Submission

Note: Free Paper Abstract Submission can only be done *by online registration*.

IOA TOUR

November 17th 2018

Tangkuban Perahu is a famous volcano located 30 km in North of the Bandung city. The name translates roughly to “upturning of (a) boat” in Sundanese, referring to the local legend of its creation. The legend tells about the struggle of a handsome young man Sangkuriang, who fell in love with a beautiful young woman named Dayang Sumbi. Tangkuban Perahu is a popular tourist attraction where visitors can hike or ride to the edge of the crater to view the hot water springs.

Daily Operating Hours: 7.00AM – 5.00 PM

In **Saung Angklung Udjo** you will be presented with dancing, singing, and a pleasant atmosphere that will introduce you to the harmony of Sundanese culture. You too can take part in playing the Angklung and dancing with the adorable young angklung academy students. Make sure to bring your camera because there will be a lot of special moments for you to capture.

Daily Operating Hours: 10.00 AM – 08.00 PM

Trans Studio Bandung is an amusement park composed of several sections, among others: a shopping mall called Trans Studio Mall (of usually referred as TSM), a recreation park called Trans Studio and a luxury hotel called Trans Studio Hotel.

Daily Operating Hours:

Weekday 10.00 AM – 7.00 PM

Weekend 9.00 AM – 9.00 PM

When in Bandung, you should not miss this. The incredible sunrise view from **Tebing Keraton**, only less than 15 minutes driving distance from InterContinental Bandung Dago Pakar. This place becomes one of the best tourist attractions in Bandung.

Daily Operating Hours: 5.00 AM – 6.00 PM

There's just something about dainty, pretty little deer that evokes a feeling of harmonious peace and serenity with nature, especially when said deer are found in a scenic mountainous district just bursting with fresh air and green trees. Take your family to see Bambi grazing in his natural habitat at the Deer Conservation Park at Ranca Upas – the deer in the park are so tame that they can be fed straight from your hand.

Address: Jalan Patengan Km. 12, Rancabali, Ciwidey, Banduna. Jawa Barat 40973. Indonesia

Everyone loves a beautiful waterfall, and the one in Taman Wisata Maribaya is no exception. An incredibly popular tourist destination, Maribaya Waterfall is a magnificent 25 metres tall and is hidden within the lush greenery of a forest. As if gorgeous white falls surrounded by tall green trees wasn't enough, the waterfall even comes with natural hot spring pools at the bottom for bathing (legend has it that the nutrient-rich water is good for the skin). Now there's a sauna experience that no amount of money in the world can buy!

You've heard of the famous floating markets in Thailand, but did you know that Bandung has a great one too? Located on the reflective surface of the clear, vast Situ Umar lake, the Lembang Floating Market consists of a collection of colourful little boats, most of them selling some form of edible substance (from Indonesian dishes to Western foods). Stroll from boat to boat and pick up whatever looks exciting, then burn the extra calories off with a paddle boat ride on the lake after your unconventional meal.

Bandung Kawah Putih – known as 'White Crater' in Indonesian – looks like a scene straight out of paradise; imagine a gorgeous crater lake of the lightest turquoise colour, enclosed by a volcano, white sands and shrouded in misty fog. To complete the otherworldly experience is the fact that the air there is refreshingly cool, so do bring a jacket with you when you visit.

Sometimes, a little of the Wild Wild West comes to the the Far East. At Lembang's De'Ranch Country Resort, you'll feel more like you're in Texas than Bandung as the entire complex, once an actual ranch, has since been converted to a cowboy-themed tourist attraction. Address: Jl. Maribaya No.17, Kayuambon, Lembang, Kabupaten Bandung Barat, Jawa Barat 40791, Indonesia Opening hours: 9am – 5pm, Tuesday to Sunday 2785865

If you've always bemoaned the fact that your kids didn't grow up climbing trees and rolling in grass like you did, it's high time you brought them to the Dusun Bambu Family Leisure Park for a bit of old-school fun. Travel back to a simpler time with the whole family in this area of refuge, surrounded by unpolluted natural air, green grass, a scenic lake, and little bamboo cabins.

Address: Jalan Kolonel Masturi KM. 11, Situ Lembang, Cisarua, Kabupaten Bandung Barat, Jawa Barat 40551, Indonesia Opening hours: 8am – 9 pm

The Brief History of Indonesian Orthopaedic Association

At the 2nd of the IKABI and "Laskar Award" recipient, asked surgeons who were involved in orthopaedic surgery to come together founding the PABOI (Perkumpulan Ahli Bedah Orthopaedi Indonesia).

Nine surgeons started as founding members of the association:

- ☒ Prof. DR. R. Soeharso (Chairman of the Pusat Rehabilitasi Surakarta),
- ☒ Dr. Soebiakto W (Lecturer at the Faculty of Medicine University of Indonesia, Jakarta),
- ☒ Dr. Nagar Rasyid Nasution (Lecturer at the Faculty of Medicine of Padjajaran, Bandung),
- ☒ Dr. Syamsul Ma'arif (Army surgeon at the Tjimahi Army Hospital-Bandung),
- ☒ Dr. Herman Sukarman and Dr. Kunadi Wihardjo (Pusat Rehabilitasi Surakarta),
- ☒ Dr. R. Saleh Mangunsudirdjo (Resident in Surgery at the Faculty of Medicine University of Diponegoro-Semarang),
- ☒ Dr. Tajib Salim and Dr. Soelarto Reksoprodjo (Surgeon's Trainers of the Orthopaedic Training Program of Care Medico Orthopaedic Overseas - Faculty of Medicine of University of Indonesia)

held in Hotel Homan on the 25 September 1969 declared the PABOI at the Biannual General Assembly Meeting of the IKABI was accepted anonymously, Dr. R. Gray from Adelaide who was the consultant on September 1969 of the training program acted as witness of the foundation.

The Office Bearers were:

- ☒ Prof. DR. R. Soeharso as Chairman
- ☒ Dr. Soebiakto Was Vice Chairman
- ☒ Dr. Kunadi Wihardjo as Secretary / Treasure

The PABOI was immediately involved in the training program which was started the 1st October 1968 initiated by the CARE Medico Orthopaedic Overseas in cooperation with the faculty of Medicine, University of Indonesia and Department of health.

Since the members were only 9 surgeons, the assembly of members always joined during the biannual , meeting of the IKABI.

Unfortunately in 27 February 1971 Prof. DR. R. Soeharso as chairman of the Association passed away, Dr. Soebiakto who was the project officer of the training program, as Vice Chairman acting as chairman and the next biannual meeting of the IKABI November 1971 in Surabaya has was not able to attend and gave a mandate to Dr. Soelarto Reksoprodjo, as successor of Dr. Soebiakto as project officer, to get together with other members to organize the PABOI to have an elect new officer bearers of the association. Dr. Soelarto Reksoprodjo was elected as the new chairman, Dr. Herman Sukarman as Vice Chairman and Dr. Chehab Rukni Hilmy as Secretary, acted as witness Dr. Ellis Griffith, consultant of the training program from Perth-Australia.

To get together of members of the PABOI still joined the IKABI at 4th biannual meeting of IKABI in Yogyakarta 1973, problems of who is full member of the association arose. Soelarto as president was absent because together with Dr. Soekarna attending "Symposium Orthopaedic in Developing Countries" held in Oxford UK. Since then the PABOI decided to have their own meeting. Dr. Soebiakto passed away May 1974. We then organized a scientific meeting in Jakarta November 1974, bringing together 17 members of the PABOI, 75 papers were presented, that meeting was then decided as the 1st Congress of the PABOI.

Dr. George Bedbrook, on behalf of the Australian Orthopaedic Association donated "The Chairman Opening Hammer". At the same time we decided to have our own attribute such as the logo of the Association, the Pendulum of the chairman, the Journal M.O.I (Majalah Orthopaedi Indonesia) which started as bulletin of the proceeding of the meeting, beside the COE (Continuing Orthopaedic Education) semi annually started May 1974 and the Indonesian Board of Orthopaedic Surgery. 9 honorary members were inaugurated, they were persons who concerned with the development of orthopaedic surgery in Indonesia:

1. Prof. Mahar Mardjono
2. Prof. Oetama
3. Prof. Djamaluddin
4. Prof. Odang
5. Prof. Daiji Kashiwagi
6. Prof. George Bedbrook
7. Mr. Ronald Beetham
8. Prof. Alain Patel
9. Dr. Bloch

That moment was a very important milestone of the PABOI, because of the Department of Health decided that the Indonesian Orthopaedic training program, helped and supported by the CARE Medico should be able to run by the local staff, after 7 years of aids by CARE Medico.

With a good personal communication with former overseas consultants such as Mr. Ronald Beetham and Bill Cumming the PABOI still able to continue the final exam of the Orthopaedic Training, by inviting external examiner, held semi annually. Only 2 surgeons were able to join the Training, that is why the growth of orthopaedic surgery at the beginning was very slow until the 3rd triannual meeting of PABOI in Bandung 1980, the post graduated training of orthopaedic surgery was recognized and accepted by the Dept. of Education and Culture, who took over in 1978 all kind of education and training programs under the Director General of Higher Education, Dept. of Education & Culture.

We allowed to accept general practitioners after they finished their national duties to work at health centers in The Rural area.

Two centers were appointed, Jakarta (University of Indonesia) and Surabaya (University of Airlangga). Not only that, but also that we are able to get resident in training every six months.

The curriculum of training suggested by the PABOI was accepted by the Consortium of Medical Sciences (CMS, later became CHS: Consortium of Health Sciences) consists of 2 years basic surgery and 2.5 years orthopaedics. Later, Faculty of Medicine University Padjajaran, Bandung was appointed as the 3rd Center of training and in 1998 also Faculty of Medicine University of Hasanuddin, Ujung Pandang as the 4th Center.

Another milestone which is important, that at the meeting in Bandung we started to have a President Elect, so that more members have the chance to be the President of the association; The Law and by Laws has been amended and more office bearers of the organization as well as the place of meetings.

The Founding Fathers of Indonesian Orthopaedic Association

Congress of The Indonesian Orthopaedic Association :

- Congress I : Jakarta, 1-3 November 1974, President: Dr. SoelartoR
- Congress II : Surabaya, 11-16 October 1977, President: Dr. SoelartoR
- Congress III : Bandung, 23-27 November 1980, President: Dr. SoelartoR
- Congress IV : Jakarta, November 1983, President: Dr. Soelarto R to Dr. Chehab R.Hilmy
- Congress V : Surabaya, 1986, President: Dr. Chehab R. Hilmy to Dr. SubrotoS
- Congress VI : Solo, November 1988, President: Dr. Subroto to Dr. AhmadDjojosugito
- Congress VII : Bandung, 26-28 November 1990, President: Dr. AhmadDjojosugito
- Congress VIII : Jakarta, 2-8 November 1992, President: Dr. Djoko Roeshadi to Dr. Errol U.Hutagalung
- Congress IX : Bali, 5-7 November 1994, President: Dr. Errol U Hutagalung to Dr. Moh.Hidayat
- Congress X : Bali, 21-23 November 1996, President: Dr. Moh. Hidayat to Dr. ParuhumU.Siregar
- Congress XI : Jakarta, 14-16 November 1998, President: Dr. Paruhum U Siregar to Dr. MulyonoSoedirman
- Congress XII : Makassar, 9-12 November 2000, President: Dr. MulyonoSoedirman to Prof. Dr. Dr. IdrusA. Paturusi
- Congress XIII : Yogyakarta, 31 October - 3 November 2001, President: Prof. Dr. Dr. Idrus A. Paturusi to Dr. Armis
- Congress XIV : Bandung, President: Dr. Armis to Dr. BambangTiksnadi

- Congress XV : Bali, 7-10 September 2006, President: Dr. Bambang Tiksnadi to Dr. Bambang Nugroho
- Congress XVI : Bali, 27-29 November 2008, President Dr. Bambang Nugroho to Dr. Ifran Saleh
- Congress XVII: Jakarta, 24-27 November 2010, President Dr. Ifran Saleh to Dr. S. Dohar A.L. Tobing
- Congress XVIII, Jakarta, 21-24 November 2012, President Dr. S. Dohar A.L. Tobing to Dr. Rizal Pohan
- Congress XIX, Jakarta, 19-22 November 2014, President Dr. Rizal Pohan to Dr. Luthfi Gatam
- Congress XX, Jakarta, 23-26 November 2016, President Dr. Luthfi Gatam to Prof. Dr. Zairin Noor

THE PRESIDENT OF INDONESIAN ORTHOPAEDIC ASSOCIATION (IOA)

Prof. Dr. R. Soeharso
Periode 1969-1971

Dr. Soebiakto
Periode Feb-Nov 1971

Prof. Dr. Soelarto Reksoprodjo
Periode 1971-1985

Prof. Dr. Chehab Rukni Hilmy
Periode 1983-1986

Prof. Dr. Subroto Sapardan
Periode 1986-1988

Prof. DR. Dr. M. Ahmad D
Periode 1988-1990

Prof. DR. Dr. Djoko Roeshadi
Periode 1990-1992

Prof. Dr. Errol U. Hutagalung
Periode 1992-1994

Prof. Dr. H. M Hidayat
Periode 1994-1996

Dr. Paruhum U. Siregar
Periode 1996-1998

Dr. Mulyono Soedirman, MBA
Periode 1998-2000

Prof. DR. Dr. Idrus A. Paturusi
Periode 2000-2002

Prof. Dr. Armis
Periode 2002-2004

DR. Dr. Bambang Tiksnadi
Periode 2004-2006

Dr. Bambang Nugroho
Periode 2006-2008

Dr. Ifran Saleh
Periode 2008-2010

Dr. S. Dohar A. L Tobing
Periode 2010-2012

Dr. Rizal Pohan
Periode 2012-2014

DR. Dr. Luthfi Gatam
Periode 2014-2016

Prof. Dr. Zairin Noor Helmy
Periode 2016-2018
