Greetings !

Welcome to most exciting and fascinating Singapore!

Within this splendid setting, we plan to deliver a conference that will exceed your expectations.

During this year's Conference, we hope that you will seize the opportunity to rekindle ongoing connections and spark new ones with your colleagues from around the globe. It's with great pleasure and great honor to invite you to the "World Congress on Bacteriology and Infectious Diseases" scheduled on Jan 28-29, 2019 at Singapore.

The Conference will be organized around the theme Recent Advances and Breakthrough in Bacterial and Fungal infections.

Our conference aims to gather the Researchers, principal investigators, experts, researcher working both academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

This year's Conference program, coupled with the Business Opportunity Exchange, is an event you can't afford to miss!.
