

8th International Conference on **Neurological Disorders and Stroke**

March 14-16, 2019 | London, UK

Innovations in Diagnosis, Therapeutics and Rehabilitation of Neurological Disorders and Stroke

Invitation

With great pleasure, AAC welcomes you to join the 8th International Conference on Neurological Disorders and Stroke to be held on March 14-16, 2019 in London, United Kingdom. Stroke 2019 congregates the eminent scientist, Neurosurgeons, researchers, academics and dynamic experts from healthcare industries around the globe in the field of neurological science.

The vital goal of Stroke 2019 is to build up an efficient platform for the scientists, neurologists, research scholars, principal investigators, and industry experts to exchange their practical experiences in the field of Neuroscience and stroke. This forum will impart meeting and collaboration of the experts in neurology, physicians, researchers, and academics to endeavor new diagnosing techniques, management and prevention of stroke patients.

Stroke 2019 provides a prominent occasion for the scientist and industry experts to exhibit their breathtaking research experiments. The dissolution of ideas and results from the esteemed people in the Neurology field is extremely potential to enhance the differential diagnosis, therapeutics and preventive measures of stroke disease.

Stroke 2019 is exclusive in aggregating healthcare industries and renowned clinical scientist from neurological disorders, mental health, neuropsychiatry, neuroimaging, behavioral neurology, neurosurgery, and stroke rehabilitation & recovery. We hope this event will be an educational and motivational for upcoming researchers and young scientist forums to get interact with prominent experts in neurological disorders.

We welcome all your excellent contribution towards the area of brainstorming research. We are more excited to have all your presence at the Stroke 2019 conference in London.

Best wishes,
Stroke 2019 Committee

Invitation

Conference highlights:

- Neurological Disorders
- Cerebrovascular disease
- Stroke
- Stroke and Cerebral hemorrhage
- Stroke and its management
- Stroke and Mental health
- Stroke rehabilitation and recovery
- Risk assesment and prevention of stroke
- Dementia
- Neuropsychiatry
- Behavioral Neurology
- Neuro diagnosis and Imaging techniques
- Neurosurgery
- Clinical trials and case studies

Sponsorship

Diamond Sponsor

- An opportunity to sponsor 10 Poster Presentation Awards.
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
