# Invitation

Dear Attendees,

WCC 2019 extends its heartfelt welcome to attend “World Congress on Chemistry” under the theme of “Delving into advances in Chemistry research and innovations” during August 19 - 20, 2019 at Kuala Lumpur, Malaysia organized by Cenetri Publishing Group. WCC 2019 is the premier event that unites an interesting and International blend of specialists, analysts and leaders both from the academia world and industry over the globe to trade their insight, experience and research advancements to build Chemistry researchers, industrialists and business visionaries meet.

WCC 2019 invites participants from all leading Universities, Research Institutions, Pharmaceuticals and Chemical companies, Investing firms, Business leaders to share their recent research experiences on all the aspects of this rapidly expanding stream and thereby, providing a showcase of the latest researches and trends in the field of Chemistry.

WCC 2019 delivers a premier interdisciplinary platform for scientists, researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Chemistry.

Life is full of give and take. Make it count in your professional life. Attend the World Congress on Chemistry to network with your peers, exchange expertise, gain experiences, and stretch yourself with the latest information to take your organization to the next level.

We are looking forward to meet with you under the same roof in Kuala Lumpur, Malaysia.

Regards,  
Organizing Committee  
WCC 2019

## Topics in Focus:

WCC 2019 topics are designed to inform, inspire and innovate, to foster participation and exchange, and to actively create a global platform for a better future of power generation and supply in regional as well as global context.

### Take a glimpse of key topics

- Organic chemistry
- Inorganic chemistry
- Physical chemistry
- Analytical Chemistry
- Biochemistry and Biological Chemistry
- Theoretical Chemistry
- Medical and Pharmaceutical Chemistry
- Chemical Biology
- Agricultural and Food Chemistry
- Industrial and Green Chemistry
- Forensic Chemistry
- Materials Science and Chemistry
- Environmental Chemistry
- Astrochemistry
- Clinical Chemistry
- Electrochemistry
- Nanochemistry
- Radio and Nuclear Chemistry
- Geochemistry
- Polymer Chemistry
- Marine Chemistry
- Natural Chemistry
- Photochemistry
- Advances in Chemistry

## Conference Highlights:

- Keynote Forum
- Plenary Session
- Special Session
- Workshop
- Young Researchers Forum
- Poster Presentation
- B2B Meeting
- Video Presentation
- Exhibition

## WCC 2019 salient features:

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Highly Organized and Structured Scientific programs
- Knowledge, Benchmarking and Networking offered at one place
- Recent innovations in Structural & Molecular Biology Sector
- Forge connections and for global networking
- Poster presentations and world class exhibitions

and many more...

Kuala Lumpur

Malaysia

## Important Dates

### For Abstract:

**1<sup>st</sup> Round of Abstract Submission: *December 31, 2018***

**2<sup>nd</sup> Round of Abstract Submission: *March 30, 2019***

**Final Call for Abstract Submission: *June 30, 2019***

### For Registration:

**On/Before *January 01, 2019* : \$599**

**On/Before *April 05, 2019* : \$699**

**Final Call *July 15, 2019* : \$799**

## Golden Opportunities for Young Researchers:

Young Researcher Forum are organised to provide a unique platform to Young Researchers and Investigators for presenting their latest research projects, ideas and the excitement that goes with them. Often these projects and their findings push the boundaries of engineering and scientific research with immense benefits and newer directions to progress beneficial research. Young Researchers from Universities, Associations, and various Industries are invited to present a short oral presentation during these forums, highlighting aims and what they intend to achieve moving forward.

Best Oral and Poster Young Researcher will be awarded with Cash Prize along with Certificate.

## Benefits

- Showcase research projects through oral presentations.
- Exposure to latest research tools and technologies in the field for specific research.
- Acquiring pertinent and timely information to progress research and benefit from support.
- Networking and establishing collaboration among young researchers, diverse institutions and industry leaders.
- Expansion of opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Possibility to interact and share ideas with both peer groups and mentors.
- Opportunity for young researchers to learn about other 'cutting edge' research areas
- Career development and actively linking to Institutions of interest.

# Kuala Lumpur

## About City:

Kuala Lumpur is the capital city of Malaysia, boasting gleaming skyscrapers, colonial architecture, charming locals, and a myriad of natural attractions. Divided into numerous districts, its main hub is called the Golden Triangle which comprises Bukit Bintang, KLCC and Chinatown. Kuala Lumpur is widely recognised for numerous landmarks, including Petronas Twin Towers (the world's tallest twin skyscrapers), Petaling Street flea market, and Batu Caves, which is over 400 million years old.

With frequent sales events throughout the year, expansive shopping malls like Pavilion Kuala Lumpur and Suria KLCC are also among the biggest tourist attractions in the city, hosting a wide range of upmarket labels from all over the world. Plus, if you need more reason to love Kuala Lumpur, there is the abundance of gastronomic delights – with thousands of hawker stalls, cafes, and restaurants serving every imaginable type of delicacies.

## Target Audience for WCC 2019

- Principle Investigators, CEO and Directors
- Professors, Scientists, Researchers, Academic Educator
- Young Researchers, Post-Doctoral Fellows, Students
- Clinical Researchers and Coordinators
- Chemistry Associations and Societies Professionals
- Pharmaceutical and Biomedical Companies Professionals
- Executives/Managers and Business Entrepreneurs
- Chemistry Associations and Societies
- Drug Manufacturing Companies
