Welcome message

With a warm welcome Phronesis Conferences invites you to the World Physics Congress will be held in Las Vegas, USA during November 12-13, 2019. The annual Physics congress-2019 creates a platform for expert's interaction simultaneously with networking opportunities and also provides an opportunity to explore the innovative ideas of the other communities, companies and associations with the theme of "**Recent Progress and Innovations in Physics**" that will renew the practical skills that you need to improve.

We welcome all the Scientists/Research Professors, Professors of Semiconductors Junior/Senior research fellows of Science and Technology, Students, Directors of Physics, Members of different Electrical industries, Quantum Physics and Technology to this great gathering.

Physics Congress-2019 is an annual conference which provides a valuable opportunity for all over world developers, researchers to engage in scientific discussion about the current research and latest advancement that help the world going forward. The Conference facilitates the exchange of new ideas in the fields Physics and discusses the most recent innovations, trends and concerns, practical challenges and the problem solution adopted in the particular field.

Come and be a part of it...!

Regards
Organizing Committee
Physics Congress-2019

Conference highlights

- Applied and Modern Physics
- Astrophysics and Cosmology
- Molecular and Optical Physics
- Computational Physics
- Soft Matter Physics
- Quantum Mechanics and its Application
- Medical Physics and Biophysics
- Experimental Physics
- Nanoscale Physics
- Condensed Matter Physics
- Optoelectronics, Electromagnetism and Electronics
- Theoretical and Computational Physics
- Geophysics
- Mathematical Physics
- Role of physics in aeronautics
- Optics, Photonics and Superconductivity
- Planetary Science and Particle Physics
- Radiation Physics

Conference highlights

- Atomic and Molecular Physics
- High Energy and Nuclear Physics
- Magnetism and Magnetic Materials
- Thermodynamics
- Advanced Materials, Functional Devices and Materials Physics

Why to attend

- Meet worldwide Experts
- Networking Opportunities
- Greater Focus
- Learn skills and stay up-to-date
- Position yourself as an expert
- New Tips & Tactics
- Learn beyond your field or interest
- Learn leadership
- Leading a workshop
- Career guidance

Young Researchers Opportunity and Best Poster Awards

The Young Researcher Awards & Best poster awards are part of a global initiative to support early career researchers, with the intention of supporting young researchers in their quest to advance the frontiers of science across a broad range of disciplines. This Award is instituted to recognize and reward young researchers with outstanding track record, a deep commitment to find innovative solutions and potential for high quality research. *Submit your abstracts and grab the opportunity!!!*

💰 Sponsorship opportunity

Phronesis Conferences are pleased to invite all the Sponsors and Exhibitors to showcase their products at **Physics conference**.

We welcome all the Semiconductors companies, Electrical industries, Atomic and Molecular Physics, Experimental Physics, Biophysics labs for different sponsorships at **Physics Congress-2019**.

For more information about becoming a partner, exhibitor or advertiser, including prices and benefits, PS:

Tentative schedule

Day 1 - Tuesday November 12, 2019

Morning

08:00-09:00 : Registration

09:00-10:00 : Opening Ceremony and Introduction

10:00-10:30 : Refreshments

10:30-12:30 : Keynote Sessions

Afternoon

12:30-13:30 : Lunch with Table Discussions

13:30-15:00 : Speaker session-I

Evening

15:00-15:30 : Coffee Break

15:30-18:00 : Speaker session-II

Day 2 - Wednesday November 13, 2019

Morning

09:00-10:30 : Keynote Session III and Key Note Session IV

10:30-11:00 : Refreshments

11:00-12:30 : Speaker session-III

Afternoon

12:30-13:30 : Lunch

13:30-15:00 : Poster Presentations

Evening

15:00-15:30 : Coffee Break

15:30-17:30 : Speaker session-IV

17:30 onwards: Closing Ceremony

About Las Vegas

Las Vegas is the most populous city in the U.S. state of Nevada and the county seat of Clark County. Las Vegas is an internationally renowned major resort city known primarily for gambling, shopping, fine dining, and nightlife and is the leading financial and cultural center for Southern Nevada. A growing retirement and family city, Las Vegas is the 28th-most populous city in the United States, with a population at the 2010 census of 583,756. The city is one of the top three leading destinations in the United States for conventions, business and meetings. Today, Las Vegas is one of the top tourist destinations in the world. The city's tolerance for various forms of adult entertainment earned it the title of Sin City, and this image has made Las Vegas a popular setting for films and television programs. There are numerous outdoor lighting displays on Fremont Street, as well as elsewhere in the city. Las Vegas is situated within Clark County in an arid basin on the desert floor, surrounded by dry mountains. The Spring Mountains lie to the west. Much of the landscape is rocky and dusty; the environment is dominated by desert vegetation and some wildlife, and the area is subject to torrential flash floods. Within the city there are many lawns, trees, and other greenery. Due to water resource issues, there is now a movement to encourage xeriscapes. Another part of the water conservation efforts include scheduled watering groups for watering residential landscaping. Las Vegas' climate is a subtropical, hot desert climate typical of the Mojave Desert in which it lies. The city enjoys abundant sunshine year-round: it has an average of about 300 sunny days per year with more than 3,800 hours of sunshine. The city is home to several museums including the Neon Museum home to many of the historical signs from the valley, The Las Vegas Museum of Organized Crime and Law Enforcement, the Las Vegas Natural History Museum, Lied Discovery Children's Museum National Atomic Testing Museum, and the Old Las Vegas Mormon State Historic Park. The climate of Las Vegas is a subtropical..

Important Dates:

Abstract Submission opens: November 10, 2018

Abstract Submission Deadline: March 25, 2019

Registration opens: November 10, 2018

Early Bird Registration: March 25, 2019

On Spot Registration: November 12, 2019
