Why to Attend?

A HIV-AIDS & Sexual Health conference is an opportunity to meet others within specialty to network and to learn the latest clinical information. I've always embraced the opportunity to attend reproductive conferences and have made a point to encourage others to attend whenever the opportunity arises.

Benefits

- Accepted abstracts will be published in conference proceedings.
- Global networking: In transferring and exchanging Ideas.
- A Unique Opportunity for Advertisers and Sponsors at this International event.

Who Can Attend?

HIVSH-2019 brings together individuals who have an interest in different fields of Medicine like Hematology, Immunology, Microbiology, Public Health, Psychology, Gynecology and many more interdisciplinary fields.

HIVSH-2019 expecting attendees from,

About Venue

Miami officially the City of Miami, is the cultural, economic, and financial center of South Florida. Miami is the seat of Miami-Dade County, the most populous county in Florida. It covers an area of about 56.6 square miles (147 km²), between the Florida Everglades to the west and Biscayne Bay on the east, making it the sixth most densely populated large US city. The Miami metropolitan area, is home to 6.1 million people and the seventh-largest metropolitan area in the nation. Miami's metro area is the second-most populous metropolis in the southeastern United States and fourth-largest urban area in the U.S.
