WELCOME TO WORLD DENTAL EDUCATION 2019

We cordially invite all dental professionals to participate at the **World Dental Education Conference** taking place in **Bali, Indonesia** from **June 26-27, 2019**

World Dental Education 2019 offers an extraordinary scientific program with impressive roster of world-renowned speakers, a wide range of special sessions including hands-on workshops and dental courses from the top notch presenters who are prominent leaders in the dental and oral health industry.

This dental conference will be providing General Dentist, Dental Specialist, Pediatric Dentist, Endodontist, Oral and Maxillofacial Surgeon, Orthodontist, Prosthodontist, Dental Hygienists, Dental Nurses and dental office staff with the state-of-the-art and most comprehensive continuing education in dentistry and oral care today. It is truly an opportunity for the participants to go back to their practices as better dental professionals than before. At this prestigious dental conference, they also earn valuable Continuing Education credits.

Network and collaborate with the dental professionals attending the **World Dental Education 2019** from all across the globe. It unites the stakeholders from across the dental spectrum to advance their knowledge and network with like-minded dental colleagues. Share ideas outside of the session halls; attend your class get-together as the learning doesn't only happen in the meeting halls!

Escape to the luxurious beachfront resort in Bali-famed as an Indonesian paradise, with its varied landscape of mountains and hills, rugged coastlines and soak up the sun on a stretch of sugary white sand beaches and the gloriously blue Bali Sea captivate your senses, providing a pleasing environment to its colorful. With world-class surfing and diving, a large number of historical, cultural and archaeological attractions. This makes Bali as one of the most famous island destinations in the world. Breathe in fresh breezes and take in the awe-inspiring scenery from this luxurious beachfront resort.

Join us at **World Dental Education 2019** in Bali and secure your share of the ever growing Global Dental Market!

Best Regards,
Dr. Wolfgang F. Schuster

CONTINUING DENTAL EDUCATION

Continuing Dental Education is extremely important for all in the dental field. As a dental professional you should be keeping up with the major changes happening in the dental industry every day. The world of dentistry is growing extremely fast and will continue to grow over time, making it clear why it's so important to continue your dental education.

With the technology advancing in such little time now, it's essential for everyone in the dental field to stay on top of the game. Not only is it beneficial to you to continue your dental education, but to your patients as well. Continuing your dental education allows you to provide the best care possible while having access to the latest preventative, diagnostic and treatment methods.

Conferences are one of the most effective forms of learning something today that you can immediately implement to improve your practice the first day back to your office. Conferences like **World Dental Education 2019** provide the chance to listen to leading experts share the latest best practices, participate in hands-on workshop sessions, panel discussions, and view the latest technologies. Staying at your current level without new learning is simply not an option any longer. With advanced technologies like dental lasers, improvements in laser technology and its application for every day clinical care, dentists who fail to keep pace may mean you're actually falling behind in the quality of care you provide

If you're a dentist or interested in improving your practice, there's no better place to get all the support and knowledge you'll need than at **World Dental Education Conference** in Bali, Indonesia this June.

NETWORK FORWARD WITH THE PEOPLE

Why attend World Dental Education Conference 2019?

Meet experts and influencers face-to-face: World Dental Education 2019 offer the opportunity to meet global dental leaders who are expected to share their noble insights at the conference.

Learn in a new space: Unleash the insights of global dental industry.

Recognition: This Conference is a great place to get recognition for your own ideas.

Sharpen your skills: Learn new ideas and approaches to make you more effective and efficient at work

Absorb the energy of like-minded individuals: There's nothing like being in a room of like-minded people – other people who are willing to take time away from the office to learn something new. Other people who want to “better” themselves

Break out of your comfort zone: Breaking out of your comfort zone is just the type of action that is necessary to break out of old ways of thinking.

Get access to workshops: workshops offer even more learning opportunities that connect attendees in an intimate learning environment.

Have fun! Participating at World Dental Education 2019 will add a layer of enjoyment to managing your career growth by mixing a social aspect into your learning and industry branding efforts.

Invest in yourself: A day out of the office to sharpen your skills, is investing in yourself. It is admitting that you are worth it, that you still have things to learn and that you can get better. It is an investment in yourself, your career and your growth.

Why BALI ...?

Bali is the most popular island holiday destination in the Indonesian archipelago. The island's home to an ancient culture that's known for its warm hospitality. Exotic temples and palaces set against stunning natural backdrops are some of its top attractions. Dining in Bali presents endless choices of local or far-flung cuisine. After sunset, famous nightspots come to life offering exciting clubbing and packed dance floors. Inland, towering volcanoes and pristine jungles greet you with plenty to see and do. Most can't stay away from the beach for long, though. For tranquil seascapes and sunrises, the eastern beach resorts are your best bets. These include Sanur, Nusa Dua and the remote coast of Candidasa are your best bets.

Bali received the Best Island award from Travel and Leisure. Bali won because of its attractive surroundings (both mountain and coastal areas), diverse tourist attractions, excellent international and local restaurants, and the friendliness of the local people. The Balinese culture and its religion are also considered as the main factor of the award. One of the most prestigious events that symbolizes a strong relationship between a god and its followers is Kecak Dance. According to BBC Travel, Bali is one of the World's Best Islands, ranking second after Santorini, Greece.

TOP ATTRACTIONS BALI

SEKUMPUL WATERFALLS

By far the most impressive waterfall we have seen in Bali. Dislocated from all other tourist attractions this waterfall is a real gem! At the foot of the waterfall, you will experience its power and be rewarded with a fresh shower and, if the sun is there a beautiful rainbow. The number one on must does in Bali!

TEGALALANG RICE TERRACES

One of the most popular tourist attraction in Bali but still one of our top things to do. Tegalalang is a beautiful rice paddies valley located near Ubud. Experience sunrise or sunset which are the best times to visit Tegalalang.

THE DINOSAUR HEAD OF NUSA PENIDA

Yes, the title is a little strange. Nusa Penida owns some mind-blowing views which the place on the photo is one of. Now, Nusa Penida is a must-visit on our round trip to Bali. Just a 40-minute boat ride from Sanur will get you to experience the most impressive views you will experience around Bali.

UBUD MONKEY FOREST

Ubud Monkey Forest is one of Bali's several grey long-tailed macaque-inhabited forests and perhaps the best known. Also known as the Sacred Monkey Forest of Padangtegal.

BE ENTERTAINED at BALI

SURFING

No matter if you are a surfer or not. Bali is made for surfing. Kuta is for all the beginners like us and loads of other spots like Uluwatu or some beach at Canggu for the more experienced surfers. For all the beginners out there: Grab a board and get an instructor on the beach and you are ready to go!

DREAM MUSEUM ZONE 3D

Dream Museum Zone Bali offers a great time indoors with a collection of galleries that are filled with immersive large-scale wall paintings that create a 3D effect for photos. You can set up your camera timer to share wonderful group shots with friends, or simply pose and play around with the numerous themes available.

UPSIDE DOWN WORLD BALI

Upside Down World Bali adds to the growing list of fun indoor activities on the island, where you can enter seven specially designed rooms whose décor and furniture are simply, and deliberately, the wrong way up. It is where you can enjoy a fun day out with your partner or friends and strike many whacky poses, only to end up as gravity-defying stunts in photos.

BALI NIGHTLIFE

Bali nightlife caters to a wide range of crowds, styles and budgets. Beach clubs to chill-out at sunset and well into the wee hours, night clubs to get loose with live DJs, rooftop bars, theatre shows, or simply an easygoing sunset dinner cruise, all prove that you can enjoy life after dark in Bali.

VENUE & HOSPITALITY

Located on the white sandy beach of Kuta with its beautiful sunsets, Grand Inna Kuta offers direct access to the famous Kuta Beach besides a mere 5 – 10 minute walk to the shopping center and entertainment areas. Only 3 miles from Ngurah Rai International Airport, 6 miles from Denpasar City.

With its refreshing hospitality concept, Grand Inna Kuta offers two distinct design styles in its accommodations – the Bali Wing and the Beach Wing. Featuring a traditional room style with a private balcony in each room, the Bali Wing is designed for those seeking a Balinese ambience. Alternatively a modern touch in the Beach Wing offers a contemporary atmosphere with various choices of views from the room being it pool, sea or garden views.
