

Global Conference on SURGERY AND ANAESTHESIA

Pioneering Advances in Surgical and Anaesthesia Research

Scope of the congress: GCSA 2019 the global gathering of innovators and expert surgeons and is designed for those surgeons passionate about connecting with brilliant minds, learning about ground-breaking advances, and building a successful practice. It is composed of multidisciplinary talks about major advances, procedures and clinical studies in transplantation, cancer, neuroscience, vascular, gastrointestinal, abdominal, head neck, breast and all other forms of surgery mentioned in scientific sessions.

Call for Papers:

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the “**Abstract submission**” page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
