Nursing Practice
2019

Future Shape of Nursing Practice : Accessions, Organizations & Research

- Conference Dedicated to Innovate Solution to the Public Health Challenges
- Your single Destination to reach Largest Assemblage of participants from Nursing Practice Community
- Opportunity beyond any Comparison to Attend & Network
- Experience the Global Ambiance with Researchers with Similar Significance
- Make New Associations and Fostering Potential Partnerships
- Learning & Knowledge in a Single Package
- Worldwide Acknowledgement to your Research Profile
- Explore the best in Cutting Edge Research
- Learn Beyond your Field of Interest
- Professional Development to Elevate your Knowledge and Skills

Nursing Practice 2019

Speakers Representation from 50+ Countries

1 Conference | 2 Days | 29th Conference in Nursing Series

15 Keynote Talks | 75 Plenary Speakers | 17 Interactive sessions

Symposia | Workshops | Best Poster Award

200 Attendees | 50 Professors | and many more . . .

Greetings!

It is our immense pleasure to invite you to attend 29th International Conference on Nursing Practice to be held in Prague, Czech Republic, the Grand Capital City with its own and specific history of culture, music, architecture and science being a fascinating phenomenon, to be held on July 08-09, 2019.

The Conference is a platform for nursing students, faculty, deans, practitioners and researchers to collaborate on topics affecting nursing of the newest generation.

The meeting is designed to canvas a variety of contemporary nursing considerations of interest to medical world as well as other allied healthcare providers. This event features lots of opportunities to network with colleagues and partners from the globe in an exciting environment.

The Conference would feature fantastic days of the best in nursing practice of the newest generation. Participants will have the opportunities to share information and the latest advance in the major and allied areas to renew the friendship, and to increase worldwide collaboration. Everyone who explores to develop their nursing qualities and gain more knowledge about innovations and advanced research in nursing is invited to submit the abstract. It provides an opportunity to learn calibrate your intelligences and gain ideas from experts in the field of nursing.

We do hope that you will enjoy the Conference and that your interaction with your colleagues will stimulate a creative exchange of ideas and will be personally rewarding!

Sincerely

Organizing Committee
Nursing Practice 2019

WELCOME MESSAGE

It's our pleasure to extend a cheerful welcome to you all on behalf of organizing community for the 29th International Conference on Nursing Practice 2019 which is scheduled to take place in Prague, Czech Republic on July 08-09, 2019.

The meeting organizers have assembled a terrific slate of speakers and scientific sessions. It is particularly galvanic time to be involved in this field. This conference will provide a platform for multidisciplinary exchange of information. Here we provide a tremendous opportunity to join in this forum to utilize the expertise and novelties that expands your views in the field of nursing practice.

The nursing practice conference 2019 aims to gather principal scientist, researchers, experts and researchers working under academia, Business Delegates and students across the globe for the dissemination of new ideas, research results and practical developmental experiences.

The theme of the nursing practice conference is "Gather to upgrade the Practice of Nursing in Human Well-being" which would enhance researchers to assemble together and present their research work.

Meet the International Ennobling Experts and Speakers at our Nursing practice conference 2019 to talk about on recent advances in the field of medical and engineering to improve health and treatment and additive innovations.

Nursing Practice 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Purpose

With members from around the world focused on learning about Nursing Practice, this is your single best opportunity to reach the largest assemblage of participants from the scientific community.

Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Nursing Practice to present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Nursing education and Nursing problems and overcome barriers that limit access to care and services.

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Nursing Field
- Discuss and apply recent research findings related to Nursing Practice
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions.

Who should attend?

Nursing Practice Conference 2019 affords a world platform for changing ideas and make us up to date about the today's improvements in scientific nursing and clinical practice. Opportunity to attend the presentations delivered by way of Eminent Scientists from all over the world.

CME & CPD

Nursing Practice Congress 2019 has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Committee

The live format of this educational activity will be accredited with CME and CPD Credits.

Diverse Action-Oriented Programming & Networking

EXPERIENCE: Inspiring change around the country and world, growing a revolution from the heart of Nursing research.

EXPLORE the forefront of breakthrough ideas and models in electrifying morning keynote talks, featuring luminaries and “the greatest people you’ve never heard of.”

PARTICIPATE in afternoon panels and workshops/symposiums on diverse topics of Nursing Practice, surgical and oncology nursing, pediatric nursing, and more!

NETWORK with a community of leadership – dynamic change makers from around the country and world, or from your region, to develop important professional and personal relationships.

SHARE your insights and learning at the conference in participatory and experiential workshops.

DISCOVER powerful opportunities and strategies for creating and engaging with progressive change in your work, life and community.

CELEBRATE how great a difference one person can make, and how building community amplifies that change.

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

After an awesome response towards Nursing Practice 2019, we are back again with this inventive part of the Nursing program. Try not to miss the Nursing Practice 2019 Conference arrangements composed particularly for the leaps forward in Nursing and clinical.

Join along with us for Nursing 2019, where the Global Investigators, Clinicians and care suppliers assemble to share the most recent findings and results, speculations and disclosures that will bring the world nearer to achievements in Nursing Research.

The practice of nursing needs specialized knowledge, self-reliant decisions and ability or skills. There are divergent paths of practice varies by surroundings, by type of customer, by different malady, by level of restoration.

According to the reports, within this year, the Health Care is expected to reach \$64.5 billion. The positions of nursing will increase by nine percent in 2024.

There are 3.4 million nursing practice Professionals in EU member states.

3.2 million practice health care assistants and 523 thousand nursing practice associate Professionals. Luxembourg had the highest average number of nursing companion per inhabitant in IEU.

The total number of professionals in nurse practice was within the range of 500-1000 per 100 000 inhabitants in Member States, with Slovenia (278), Greece (190), Croatia (178) and Romania (65) recording much lower ratios. A scrutiny of the latest data for Luxembourg and Romania showed that there were almost 30 times as many nursing professionals per 100 000 inhabitants in the past. Each practice nursing professional in Luxembourg arillate an average of 84 inhabitants, while in Romania the aforesaid ratio.

The Organizing Committee of Nursing Series is sorted out for every year, Nursing Series and incorporates exceptionally prominent universal specialists in an variety of topic areas who are focused on building up the most important and inventive subject and agenda for this year's meeting. In particular, the Organizing board decides the welcomed talks and finalizes the oral & Poster sessions towards the conference.

Nursing Practice Past Conferences

Past Conference Report

We extend our Heartfelt thanks to all our wonderful keynote speakers, speakers, conference delegates, students, associations, media partners and guests for making Nursing Practice 2018 a successful event.

AAC hosted the event of 28th International Conference on Nursing Practice during November 28-29, 2018 in Dubai, UAE at Marriott Executive.

Talks and discussion concentrated on the theme “To Promote Excellence and Explore the Art of Nursing in Practice” and it was an extraordinary achievement where prominent keynote speakers from different presumed associations and universities made their brilliant nearness and tended to the social affair.

AAC might want to pass on a warm appreciation to the session chairs/co-chairs and session speakers who made this meeting more useful and successful to the nurses, researchers, educators, investigate researchers, postgraduate and graduate understudies, and delegates from Healthcare parts met there.

The understudies and young researchers from different nations went to and vie for Best Student Oral Award.

Nursing Conference is specifically premeditated with a unifying axiom providing the pulpit to widen the imminent scientific creations.

The features of the gathering were the edifying keynote addresses from:

- Wassil Nowicky | Ukrainian Anti -Cancer Institute | Austria
- Zaininah Mohd Zain | Hospital Kuala Lumpur | Malaysia
- Nader Shakibazad | Shiraz University of Medical Sciences | Iran
- Jumana Y Al-Aama | King Abdulaziz University | Saudi Arabia
- Julie-Ann MacLaren | City University of London | UK
- Tahir Jameel | King Abdulaziz University | Saudi Arabia
- Erfried Pichler | Klinikum Klagenfurt | Austria
- Gabriela Sousa Moreira | Santa Casa de Rondonópolis | Brazil
- R Kishore Kumar | Cloudnine Hospitals | India
- Vicki Cope | Murdoch University | Australia
- Fiona Irvine | University of Birmingham | UK

Let us meet again @ Nursing Practice 2019 | July 28- 29, 2019 in Prague, Czech republic

Testimonial

Fiona Irvine

University of Birmingham, UK

It's marvellous to be able to attend this conference. It is nice to share my study before the international committee and happy to hear the interesting work the people have been doing in the field of Nursing

Vicki Cope

Murdoch University, Australia

I thoroughly enjoyed the presentations and a wide variety of topics and I would encourage people to come to the Nursing Practice Conference in 2019

Julie-Ann MacLaren

City University of London, UK

I have been chairing the session and really enjoyed listening to all our elite speakers talk. I am sure to come to the next conference in 2019

Accompany Partners' Policy:

We respectfully remind you that partners accompanying delegates/speakers are not eligible to attend conference sessions and do not qualify for refreshments and lunches during the day unless they have registered.

Any partner wishing to attend events not previously selected and paid for in his or her registration may do so at the Conference Registration desk.

We would be pleased to accommodate any requests where possible.

Registration and Accommodation

Policy:

Registration and accommodation changes will not be accepted unless made in writing.

Changes made within 14 days of the event may incur costs due to specific hotel and venue policies

Cancellation Policy:

Registration cancellations will not be accepted unless made in writing.

Cancellations request made before July 08, 2019 will be refunded less 25% of the Conference Registration fee, to cover administration costs.

No registration refunds will be processed after this date, however, substitute delegates are welcome.
