INVITATION

2019 PTCC

Dear Colleagues,

Episirus Scientifica welcomes you to attend **2019 Pulmonary, Thoracic and Critical Care Conference (2019PTCC)** held during **September 10-11, 2019** at **Singapore** with the theme "Thought Provoking Solutions to Improve the Crisis of Critical Care". This international meet (2019PTCC) anticipates hundreds of participants including Keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Trauma, Pulmonary, Thoracic and Critical Care. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world-class Critical Care and Medical Associations.

2019PTCC-OBJECTIVES

Apply the latest concepts, technologies, and developments in critical care to optimize patient outcomes
Describe the latest protocols to provide safe and effective techniques for management and early control of injuries and acute surgical conditions
Explain the importance of the multidisciplinary team in providing optimal care of the injured or seriously ill patient.

ORGANIZING COMMITTEE MEMBERS

Dyah Kanya Wati
Udayana University
Indonesia

Charu Sukhlecha
Queens Hospital
United Kingdom

Suresh Rao K G
Fortis Malar Hospital
India

Ezzeldin A. Mostafa
Ain Shams University
Hospital, Egypt

Saroj Kumar Pattnaik
Critical Care
Anesthesiologist, India

Prasan Kumar Sahoo
Chang Gung University
Taiwan

Subhash Todi
Director Critical Care
AMRI Hospitals, India

Rano Mal Piryani
KIST Medical College
Nepal

Michael Y Lin
Stanford Hospital and
Clinics, United States

TENTATIVE SCIENTIFIC PROGRAM

Day 1 September 10, 2019

Opening Ceremony
Conference Souvenir Launch
Group Photo
Keynote Forum
(Panel discussions and Reviews)
Coffee Break: Networking & Refreshment
Speaker Forum
Sessions Chair's Introduction
Session 1: Critical Care Medicine
Session 2: Anaesthesiology
Session 3: Pain And Palliative Care
Session 4: Thoracic and Cardiovascular Critical Care
Session 5: Pediatric Critical Care
(Panel discussions and Reviews)
Lunch Break
Session 6: Congenital Heart Disease
Session 7 : Venous Thromboembolism
Session 8: Critical Care Nursing
Panel discussions and Reviews
Coffee Break: Networking & Refreshments
Young Research Forum
Panel discussions and Reviews
B2B Meetings

Day 2 September 11, 2019

Introduction
Keynote Forum
(Panel discussions and Reviews)
Coffee Break: Networking & Refreshment
Speaker Forum
Sessions Chair's Introduction
Session 09: Respiratory Failure, Asthma and COPD

Session 10: Interventional Pulmonology
Session 11: Lung Cancer And Lung Diseases
Session 12: Pulmonary Hypertension
(Panel discussions and Reviews)
Lunch Break
Session 13: Critical Care Imaging
Session 14: Cardiac Anesthesia and Neuroanesthesia
Session 15: Case Reports on Critical Care, Trauma and Anesthesiology
(Panel discussions and Reviews)
Coffee Break: Networking & Refreshments
Poster Presentations
(Panel discussions and Reviews)
Awards & Closing Ceremony
NOTE: Program shedule is subject to change with final allotment of the speaker slots
Speaker Slots Available

Abstract Submission:

<http://criticalcare.episirus.org/abstract-submission/>

Registration Details:

<http://criticalcare.episirus.org/registration/>

Email Id:

criticalcare@episirus.org ; info@episirus.org

KEY DATES:

Abstract submission & Registrations are open

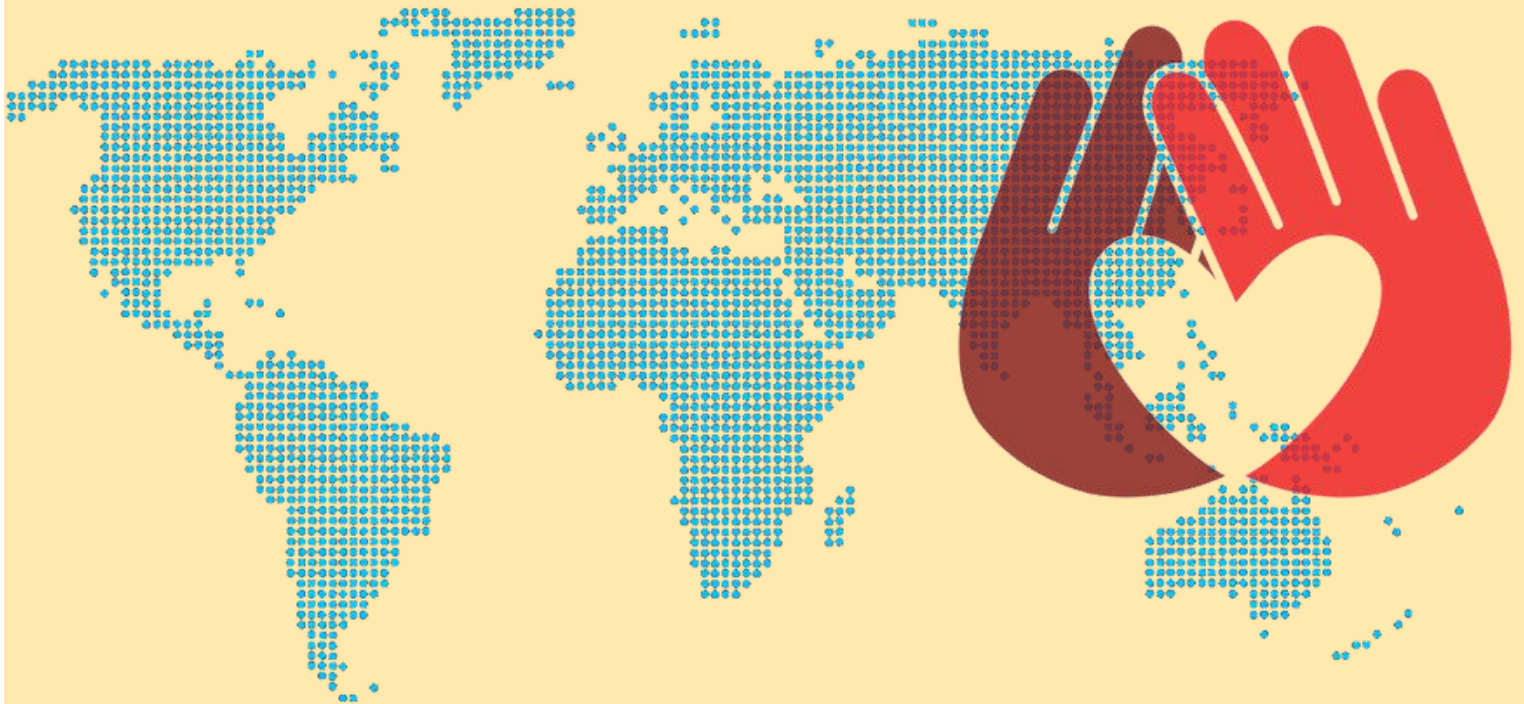

Early Bird Registration: January 25, 2019

Abstract Submission Deadline: April 09, 2019

Speaker Registration : April 25, 2019

*****Speaker Slots Available*****

EPISIRUS SCIENTIFICA EVENT (ESE) AMBASSADOR REFERRAL PROGRAM

Be an ESE 2019 PTCC Ambassador and earn FREE Registration!

- Refer one new participant and you BOTH will receive FREE Accommodation on Conference Registration.
- Refer 5 or more new participants and your 2019 Conference Registration + Accommodation will be FREE + Earn Gifts for your referred participants.

Who makes ESE strong? YOU.

- You make ESE the largest voice in scientific conferences in the world.
- You know the value of scientific conferences and can share it with your colleagues.
- You can encourage them to join ESE to maintain the influence of the medical and scientific community.

Top 3 Reasons to Refer Participants:

- Create a stronger community of peers to collaborate with
- Increase your network to become a leader in your workplace/academic institution
- Referring Participants is FUN and EASY!

The Rules: The ESE Ambassador referral program is designed to encourage current participants to spread the word about the value of ESE conferences.

Additional Benefits: Per Year, Top 3 Conference Ambassador will receive:

- Travel Reimbursement*
- Best Conference Ambassador Award

This offer expires March **30th, 2019**.

For more details Please Visit: <http://criticalcare.episirus.org/ambassador/>

• SPONSORSHIP PACKAGES •

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Critical Care, Trauma, Hypertension, Cardiac and Thoracic Anesthesia, Pulmonary and Respiratory Medicine, Healthcare and many more.

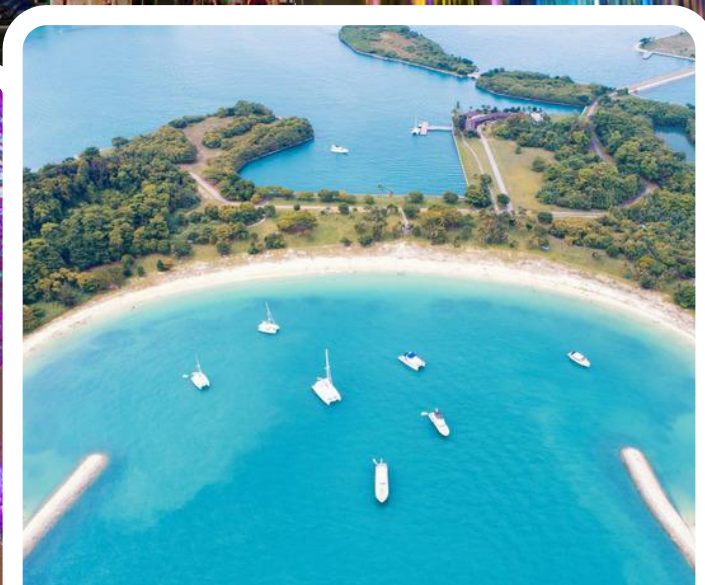

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals. Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

BENEFITS	1999 USD PLATINUM	1499 USD DIAMOND	799 USD GOLD
Conference Passes	1	1	
One Exhibition Booth (3x3 mm)			
Logo/ Banner on Meeting Website			
Social Media Promotion			
Advertisement in the Conference Proceeding Book			
Company name included in Press releases and Email Campaign			
Opportunity to Chair a Session			
Opportunity to deliver a Talk			
Placement of Flyers in the delegate bags			

SINGAPORE ATTRACTIONS 2019 WHCS

Singapore is the favourite destination for tourism and regularly hosts prestigious events because of its global connectivity, it has great infrastructure and friendly atmosphere that attracts billionaires and world leaders, so it is one of the safest countries in the globe with high-level of security. All these factors contribute towards influence people's decision to come to Singapore for medical care, learn about sustainable development and various methods involved in it. Singapore shares its own story and methodology of moving towards zero carbon footprint. It also offers a vast offering of culinary delights, beaches, best airport and zoo and top-ranking universities.

So, this year **Episirus Scientifica** scheduled **2019 World Heart and Cardiothoracic Surgery Conference (2019WHCS)** in the beautiful city which is an example of sustainable development, Singapore, to bring together the world's best leading experts, researchers, scientists, professors, medical device manufacturing companies and the most respected leaders to exchange and share their meaningful experiences of various methods involved in healthcare and cardiac field.

GLIMPSES OF 2018 CONFERENCE
