About Food Forum

Food & Nutrition Forum @ Lexis Conferences are happy to announce The Nutrition Conference is going to be held on **December 04-05, 2018** at Dubai, UAE.

"Food is Important, But Nutrition is Necessary."

The nutrition market segment just doesn't end with the food and nutrition products, ingredients and supplements, but rather covers the nutrition deities and the active fast paced consumer associations.

The Nutrition Forum Annual Meeting is an unprecedented event planned for specialists to empower the spread and use of research revelations on Food, Nutrition and Public Health, Dietetics and Nutrition, Food & Wellness, Child Nutrition Programs & School Nutrition, Parenteral Nutrition, Pediatrics Nutrition, Food & Nutrition Communications, Foodomics. The main theme of the conference is "Good Food for Good Health". We are putting endeavors towards a healthy life style moving forward to find the possible ways in decreasing the health related risk factors in different age group.

Program Manager
AYESHA K

USA: 4211 Rainier Street, Irving, Texas 75062, USA (Communication Assistance)

Why to join ?

- Meet Experts & Influencers Face to Face
- Networking Opportunities
- Learning In a New Space
- New Technologies
- Greater Focus
- Have Energy of Like-Minded Individuals
- Investing on Yourself & finally have Fun!

Develop Networking with.....

- Industry leaders
- Product scientists
- Development managers
- C-level executive
- Academicians
- Food/Nutrition research departments

Meet your “Subject Matter Expert” (SME)

Subject Matter Experts will guide you in current Research & development. They help you in research queries, content, identify the objectives, and ensure your research scientifically acceptable.

Workshop/ Interactive Sessions

Workshop sessions involve extensive interaction between presenters and participants around an idea or hands-on experience of a practice. These sessions may also take the form of a crafted panel, staged conversation, dialogue or debate – all involving substantial interaction with the audience.

Round table Discussions

The right conference can be a game changer for your research and professional career. More importantly, the Round table conversation brings the experts networking and create the goldmine of opportunities.

Explore Dubai

Dubai is one in every of the seven emirates that conjure the United Arab Emirates. it's rather like associate freelance city-state and is that the latest and progressive emirate within the UAE, developing at an improbable pace within the traveler and trade sectors particularly. Urban center has attracted world attention through giant construction comes and sports events, especially the world's tallest building, the Burj Khalifa. Dubai may be a world town and business hub of the center East. It is conjointly a significant world transport hub for passengers and payload. Oil revenue helped accelerate the first development of the town, however its reserves square measure restricted and production levels square measure low: nowadays, but five-hitter of the emirate's revenue comes from oil. Dubai's economy currently depends on revenues from commercial enterprise, aviation, land, and monetary services.
