Theme: Towards Global Mental Health Wellness

JUNE 14-15, 2019

AMSTERDAM | NETHERLANDS

Euro Mental Health is a grand international community-lead event to support you, empower you and to create you a global networking platform to make this world hear your voice!

INVITATION

Dear Colleague,

Mental health series organizing committee members are delighted to welcome you at Amsterdam, Netherlands for our upcoming 2nd International Congress on Mental Health during June 14-15, 2019.

The overall theme of the Conference is "Towards Global Mental Health Wellness". The Conference will be a platform created successful collaborations among mental health enthusiasts all around the world. Mental Health 2019 is a congress dedicated to Mental Health Workers, Psychological Researchers, Psychiatrists, Academicians, Students, NGOs and people who are working for the welfare of society & Mental Health. This conference will be a great gateway to meet like-minded experts and to share your research work with the peers.

With great pride, we are happy to announce our event, Mental Health 2018 paved way for collaborations among different organizations, introduced efficient research outcomes, created job opportunities & scholarships for young researchers and students. Above all, we created a community to support each other's growth and mental well-being.

You must be the change you want to see in the world; Together let's fight the stigma of Mental Illness! Will you join us?

We are confident that you will enjoy the scientific program of this upcoming conference. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

We look forward to personally welcoming you in Amsterdam this June

Sincerely,
Euro Mental Health 2019
Organizing Committee

Amsterdam is the capital and most populated municipality in Netherlands. It has a total population of 861,000. The city is located in the province of North Holland in the west of the country. Its name derives from Amstelredamme, indicative of the city's origin around a dam in the river Amstel. The 17th-century canals of Amsterdam and the 19-20th century Defense Line of Amsterdam are on the UNESCO World Heritage List. It is ranked 1 in the world in welcoming visitors and world-class business meetings. It also leads Europe in available surface for trade exhibitions. In many Western countries, mental disorders are the leading cause of disability, responsible for 30-40% of chronic sick leave and costing some 3% of GDP. There are numerous hospitals, institutions in Amsterdam which are working in the field of psychiatry and psychology research and mental health care.

Amsterdam is served by Amsterdam Airport Schiphol-Holland's main international airport located 9km southwest of Amsterdam. Amsterdam also has a beautiful port located on the banks of North Sea Canal and IJ. The Port of Amsterdam is the 4th busiest port by metric tonnes of cargo and 3rd biggest cruise port in Europe .

Euro Mental Health 2019 is open to all interested participants. We warmly welcome public, especially people with lived experiences to create a worldwide awareness to end the stigma of #MentalIllness. We are also proud to announce Euro Mental Health 2019 is the only international event with open access for public participation.
